2. ACADEMICS

In this section, you must enter your educational qualification details. Enter the details in all sections that are applicable to you.

The sections are as follows:

- SSC/10th/Equivalent Details
- HSC/12th/Equivalent/Diploma Course Details
- First Bachelor's Degree Details
- Second Bachelor's Degree Details
- Master's Degree Details
- Professional Degree Details

Note: If any Board/Institute/University awards only letter grades without providing an equivalent percentage of marks on the grade sheet, the candidate should obtain a certificate from the Board/Institute/University specifying the equivalent marks or the conversion procedure, and the conversion to percentage of marks would be based on this procedure as certified by the respective board/University/Institution. If any board /University/Institution confirms that there is no scheme for converting CGPA into equivalent marks, the equivalence would be established by dividing the candidate's CGPA by the maximum possible CGPA and multiplying the result with 100. The original equivalence certificate needs to be submitted at the time of interview, if shortlisted for the interview.

For computing percentages of marks obtained in SSC/10th/Equivalent examination and HSC/12th/Equivalent/Diploma examination, the total marks of all subjects that appear in the mark sheet/grade sheet would be considered irrespective of the Boards regulation. For graduates and postgraduates, the aggregate percentage of marks awarded by the Board/Institute/University will be treated as final. If the Institute/University does not award the aggregate percentage of marks, it will be calculated based on the marks obtained in all subjects listed in the mark sheet.

2.1. SSC/10th/Equivalent Details

For computing percentages of marks obtained in SSC/10th/Equivalent examination, the total marks of all subjects that appear in the mark sheet/grade sheet would be considered irrespective of the Board's regulation. In Aggregate Percentage, you can specify your converted CGPA/percentage of marks obtained marks up to 2 decimals.

If you have completed your SSC/10th/Equivalent in the year 2020/2021 and haven't received results or have been promoted/passing without marks, then you can mark the flag 'Promotion/Pass without Marks' to proceed further with the application form. ***Only valid for candidates passing out in 2020/2021***

2.2. HSC/12th/Equivalent/Diploma Course Details

In Aggregate Percentage, you can specify your converted CGPA/percentage of marks obtained marks up to 2 decimals.
