Placement Report 2026

About SPJIMR

Bharatiya Vidya Bhavan's S. P. Jain Institute of Management and Research (SPJIMR), established in 1981 in Mumbai, is among the top 1% of global business schools with Triple Crown accreditations (AACSB, AMBA, EQUIS). It's an AICTE-approved PGDM, equivalent to an MBA, and is consistently ranked among India's top 10 programmes.

The two-year, full-time residential PGDM is designed to build strong managerial foundations and leadership capabilities. Year 1 focuses on core subjects and immersive experiences such as social impact projects and leadership labs, while Year 2 offers specialisations (Marketing, Finance, Operations, Information Management), electives, global exposure, and corporate internships.

The curriculum emphasises future-ready skills through courses like Business in the Digital Age including how LLMs function, AI workshops on prompt engineering across the 4 specialisations, and hands-on prototype development in the Information Management specialisation.

Placements at SPJIMR

For the **PGDM Class of 2025–27**, Consulting dominated summer placements as well with students securing internships at marquee firms like BCG, McKinsey & Co., and Accenture Strategy. The FMCG and Healthcare sectors attracted top names such as HUL, Nestlé, and P&G, offering roles across key business functions. Finance internships were driven by prestigious firms such as Goldman Sachs and Edelweiss Alternatives, with IB roles from DC Advisory and Nomura, while tech and product roles saw participation from Google, Microsoft, and Samsung. Leadership programs from Mahindra GMC and Tata Administrative Services reflected continued trust in SPJIMR's talent.

Summer Placement 2026

The **PGDM batch of 2024–26** saw stellar final placement outcomes, with Consulting emerging as the top domain – with students securing roles with firms like Accenture Strategy, Deloitte, and PwC. FMCG roles remained strong with companies such as HUL, Mondelez, and Marico offering positions across Marketing, Supply Chain, and Finance. Finance placements continued their upward trend, with HSBC, Morgan Stanley, and Nomura hiring for roles in Investment Banking and Private Equity. In Product Management and IT, companies like American Express and Microsoft led the recruitment drive, while General Management roles were offered by Aditya Birla Group and Tata Administrative Services.

Career Services

The Career Services Office at SPJIMR is driven by a full-time experienced professional team, and works closely with the Programme Leadership team from academics to drive a structured and industry-aligned approach to placements. Through strong industry engagement, the team delivers consistent placement outcomes while working closely with participants to align their career aspirations with market opportunities via continuous mentoring, training, and recruiter interactions.

At the core of this ecosystem is a close collaboration between PLACOM—a 21-member student body that drives recruiter outreach and process execution—and a dedicated team of career services professionals who provide strategic direction, industry connections, and governance. This is further strengthened by initiatives such as leadership sessions, CV reviews, and mock interviews, ensuring students are well-prepared for corporate roles.

We would be delighted to explore opportunities to collaborate with your organization through campus engagement initiatives such as guest lectures, pre-placement talks, case competitions, and live projects, and build a meaningful, long-term partnership.

You can also share lateral job opportunities directly with the alumni.careers@spjimr.org helpdesk. By listing your senior roles with us, you gain exclusive access to a diverse pool of seasoned SPJIMR graduates who are ready to drive immediate value in your organization. Help us bridge the gap between top-tier talent and your strategic hiring needs by partnering with the SPJIMR alumni network today.
