Preparation Tips

- Go through the syllabus first and prioritise high-weightage topics in each section.
- Break the syllabus into small, daily study targets rather than attempting it all at once.
- Practise previous years' papers and full-length mock tests to build speed and accuracy.
- Since there is negative marking, avoid random guessing on questions you're unsure of.
- Revise regularly — short, repeated revisions retain concepts better than one-time reading.

Note: This syllabus is compiled based on the exam pattern and section-wise topics historically followed by SRCC GBO. The official syllabus and any changes to it are released by Shri Ram College of Commerce along with the admission notification. Candidates should cross-check the latest details on the official website, srccgbo.edu.in, before finalising their preparation.
