FOUNDER OF MANIPAL

Late Shri Dr. T M A Pai
Padma Shri Awardee
(1898 – 1979)

Born on 30th April 1898 at Kallianpur of Udipi District of Karnataka, Dr. Jinnu Madhav Ananth Pai was a self-made man who could understand the local problems, and his desire to serve the people motivated him to find ways and means commensurate with the conditions prevailing in those days. He had a great fascination for spreading education among youth from less privileged backgrounds in particular. He set up premier institutions such as the Kasturba Medical College Manipal in 1953 as the first non-missionary self-financing medical college in the private sector in India occupying the 29th place among the Medical Colleges started in India since 1855, created massive change and development in the educational circles. Continuing his thrust for providing higher education opportunities to the youth, he set up professional colleges of Engineering, Nursing, Pharmacy, and Dental Sciences at Manipal. He was keen to make the Manipal campus a university seat and presented the case to the state and the central Governments. Dr. T.M.A. Pai was conferred the prestigious Padma Shri Award by the President of India in 1966. Earlier the Government of Mysore had honoured him with the Public Service Award in 1962, and in 1971 the Mysore University honoured him with the Doctor of Science (Honoris Causa) degree. The secrets of his success were his vision to see what was needed and what was possible and his courage to start new institutions where others felt impossible to succeed. His philosophy was one of service to one's family, friends and the world's people as God's one big family. He lived through his philosophy and his name will be forever etched in people's memory.

FOUNDER OF TAPMI

Late Shri Tonse Ananth Pai
Padma Bhushan Awardee
 (1922 - 1981)

The year 2022 is the centenary year of the birth anniversary of Shri Tonse Ananth Pai (17 January 1922 – 29 May 1981), one of the few men who catapulted a small village into a model for the world to follow. In a career spanning thirty-eight years, Shri I. A. Pai's contributions to nation-building took many forms. He played roles as a politician, held positions such as that of the Railway Minister of India, was in the education, insurance and banking sectors. Under Shri Ananth Pai's stewardship, Syndicate Bank embarked on ground-breaking rural expansion programs with innovative features. In 1970, Shri Ananth Pai was appointed as the chairman of Life Insurance Corporation of India (LIC). Pleased with his tremendous contribution, the government conferred the award of Padma Bhushan (a national honour in India) in the year 1976. Dr. I. A. Pai was also the first Chairman of the Indian Institute of Management, Bangalore. His commitment to nation building and dedication to social development have made him a torch bearer in India's illustrious history.

He founded the I. A. Pai Management Institute in 1980, which has gone on to become one of the top business schools in the country.

MBA has provided me the ability to look at things in a holistic way, apply systemic thinking. It helped me with logic and methodology that enable me stay focused on to prioritize the solutions that can save critical and majority of the problems and not dwell on trying to find a solution for every problem. It also allowed me to look at all aspects in life - personal and professional, from the perspective of causality. This helps tremendously in understanding the root cause and thereby a solution tends to stick. Finally, it helped me understand that the problems need to be tackled first and build on.

The 2000-02 TAPMI stint remains one of my life's best experiences to date. The "Outbound" learning program made me a man in 2001. TAPMI's perceived location disadvantage (Nagpur's absence of immediate access to the major cities in India, during the early 2000s, for example, as its biggest strength) and IISc, more so after the advent of Covid, thanks to the air-purifying virtual world. The focus of the entire faculty as well as students is on ideas, academic rigour, on the island-stone campus, for 2 years. This intensity in academics, nestled in the sprawling campus and state-of-the-art infrastructure, along with TAPMI's diversity, successful alumni will stand the institute in great stead in the near future.

TAPMI transformed my career to IISc

I joined TAPMI in 2004 after working for 4 years in multiple software engineering roles in the IT industry. TAPMI helped me structure my thinking and approach towards solving problems - both at the professional as well as in personal life. It helped to build a strong foundation in my specialized streams of marketing and IT systems, but also in general management. This has helped me to successfully manage and enjoy my career across multiple management and marketing roles as well as across multiple geographies, in all. I would say transform with TAPMI to become a future leader.

ADMISSION AT TAPMI

ADMISSION PROCESS

The Admission Process provided below explains the common process followed across all Programs.

- Each MBA Program may have additional components for selection based on its specific requirements.
- Shortlist and Merit list for each Program is separate and independent of each other. Shortlist/selection in one Program does not guarantee shortlist/selection for the other Program (for candidates who apply to more than one program).

Minimum Eligibility

A Graduate Degree from a recognized University with not less than 50% marks (Final year students may also apply. However, the admission shall be cancelled if they obtain less than 50% in their graduation).

Stage I: Shortlisting

Applicants will be shortlisted on the basis of valid CAT (Common Admission Test) 2022/XAT (Xavier Aptitude Test) 2023/GMAT (Graduate Management Admission Test) January 1, 2018- January 31, 2023/ NMAT by CMAT 2022 scores, whichever is higher. Applicants can submit more than one test score.

Apart from high test score, TAPMI considers the overall profile of candidates. For example, the shortlisting considerations include academic profile (10th, 12th, Graduation marks), work experience, extra-curricular achievements, achievements in

sports, contribution to social activities, entrepreneurial spirit, diversity, leadership potential, integrity and values. The entrance examination cut-off may vary slightly each year across programs, depending upon the profile of applicants and the suitability of the profile to specific program(s). Students shall be informed about the shortlist decision on their registered email address.

Stage II: Admission Process

The Stage II of TAPMI admission process consists of Moderated Group Discussion (MGD) and Personal Interview (PI).

1. Moderated Group Discussion (MGD): Moderated Group Discussion tests the ability of the applicant to interact within a group and enrich the discussion. MGD also evaluates applicant's skills in Problem Solving, Confidence, Assertiveness, Persuasion, Collaboration and Communication.

2. **Personal Interview (PI):** Through the personal interview (PI) IIM evaluates the applicant's overall attitude and suitability towards management education, including aspects such as Self-Assessment, Self-Management, Social Awareness, Leadership and Communication.

IIM/IIMC makes suitable changes every year in the HOP/PI process to select bright and deserving candidates. Shortlisted candidates will be informed about changes for 2024-25 admission process, if any.

NRI/NRI Sponsored Eligibility Criteria

IIM/IIMC also accepts applications for the MBA program from the following. Please visit website/contact Admissions Office for more details:

1. NRI/NRI Sponsored Candidates
2. Overseas Citizenship of India (OCI) category candidates
3. Foreign Nationals

Final Selection

The final selection of the candidate is based on the following:

Category	% Weightage
Score in Entrance Test (CAT, XAT, GMAT, NMAT)	20
Score for academic performance (10 th , XII, Undergraduate Degree)	15
Group Discussion/Personal Interview	45
Weightage for Gender Diversity & Extra-curricular Activities	05
Total	100

*Up to 5% 2023-24/2022-23 subject to change
