## OUR VISION

Be known globally for value-added education, innovation, and research at the intersection of disciplines in service of humankind.

## OUR MISSION

Place a multidisciplinary engineering education ecosystem that transforms learners into future innovators, entrepreneurs, and professional leaders.

Create an ambience of interdisciplinary research, innovation, and creativity to address regional and global challenges for benefit of human life and the environment.

Provide the environment for enhancing knowledge, and inculcating critical & design thinking life skills through quality learning systems.

Collaborate with globally renowned academic & research institutions and corporate for improving productivity and economic.

We are GNIOT

### WHY DELHI NCR/GREATER NOIDA?

- World Class Infrastructure
- Knowledge Hub

## ABOUT US

Over the years since its inception in 2001, GNIOT has carved a niche for itself in the arena of imparting Engineering and Management education to a number of aspirants in Delhi and NCR region. GNIOT from the very beginning has welcomed diversity with open arms in addition to strongly encouraging research and innovation. Here at GNIOT, we aim to groom technically sound, knowledgeable and ethical leaders by following the principles stated at the time of inception.

GNIOT was founded by Honourable Late Shri Krishan Lal Gupta (Founder Chairman) under Shri Ram Educational Trust in 2001. The group comprises of 3 wings that are AICTE approved – GNIOT for Technical Education, GIFs for BBA, BCA, B.Sc. (Computer Science), B.Com(P) and B.Com(H) and GIMS for Post Graduate Management Education (PGDM). We are affiliated to AKTU, Lucknow and CESU, Meerut. We have highly qualified/industry experienced board of management. We as a Group of Institutions feel proud in placing on records that we have world class infrastructure, with high-tech amenities and highly qualified, experienced and dedicated team of faculty members.

We at GNIOT are committed towards not only providing high quality education but also multidisciplinary and interdisciplinary knowledge to our students. We groom our students to be globally competitive having deep subject knowledge and abreast with the latest technologies. We embellish our students' learning curve through various knowledge exchange programmes including industrial visits, workshops, seminars, club activities, conferences and global study trips. We aim at producing learners with good communication and effective problem solving skills, ensuring that they become socially sensitive and responsible human beings, having potential to lead in their chosen realms.

## ADMISSION ELIGIBILITY

### Programmes affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow, U.P.

(For further details / updates visit [www.aitu.ac.in](http://www.aitu.ac.in) / [www.aitu.org](http://www.aitu.org))

COURSE	DURATION	ELIGIBILITY
B.Tech.	4 years	10+2 with Physics/Maths and Chemistry/ Bio-Tech/ Biology/ Tech. Vocation course with 45% or 40% for SC/ST without grade
B.Tech. (General Entry)	3 years	Diploma in Engineering or B.Sc. with Maths with aggregate 45% or 40% for SC/ST (These seats are only for students who have passed qualifying examination from UP or GP Domicile)
MBA MBA (Buy/Sell Analysis) MBA (Health Care & Hospital Management)	2 years	Passed Bachelor Degree of minimum 3 years duration with 50% (45% for SC/ST)
MCA	3 years	Passed BCA/Bachelor Degree in CSE or equivalent Degree with 50% or 45% for SC/ST OR Passed B.Sc./B.Com./B.A with Maths at 10+2 level or at Graduation Level with 50% or 45% for SC/ST (with additional bridge courses as per norms of University)
M.Tech.	2 years	B.E./B.Tech with 60% or equivalent CGPA
BBA-MBA (Integrated)	5 years	10+2 level examination or equivalent and securing minimum 45% of marks

### Programmes affiliated to Ch. Charan Singh University, Meerut, U.P.

(For further details / updates visit [www.ccsu.ac.in](http://www.ccsu.ac.in))

BBA	3 years	10+2 with 45% marks and 40% for SC/ST
BCA	3 years	10+2 with 45% marks and 35% for SC/ST with Maths as compulsory subject
B.Sc. (Comp. Science)	3 years	10+2 with 45% marks and 35% for SC/ST with Maths as compulsory subject
B.Com	3 years	10+2 (Commerce, Arts & Science)
B.Com (Hons)	3 years	10+2 with 60% marks in any discipline

### Standalone Programme approved by AICTE, New Delhi

(For further details / updates visit [www.aicte-india.org](http://www.aicte-india.org))

BGDM	2 years	Passed Bachelor's Degree of minimum 3 years duration with 50% or 45% for SC/ST. Also Candidates qualified from any one of CAT/RAT/CMAT/ATMA/MAT/DMAT or the common entrance examination (if any) conducted by the respective State Government.

The Training & Development at GNIOT is a precious Teacher in the cap. The training team facilitates Soft Skills & Technical Training, thereby ensuring an overall development of the students throughout their journey at GNIOT.

Verticals under the umbrella of Industry Based Training:

- CSUC (Imparting Softskills, Aptitude & Corporate Communication Training)
- 360 Upskills (Imparting Industry-based Technical Training)

### CSUC: THE SUBSTRATUM

The CSUC department of our institution plays a pivotal role in counselling and guiding the students for their successful career placement, which is a crucial interface between the stages of completion of academic program of the students and their entry into the suitable employment.

The Department:

- Aims at enhancing exposure to corporate skills through activities for advancing skills, promoting self-motivation and instilling ethical & moral code of conduct among students.
- Ensures considerable improvement in student's verbal ability and confidence during their course tenure.
- Believes in the ideology of "Learning through Doing" and thus, all the learning mechanisms are designed in such a way that students can actively participate, learn from mistakes, gain experience and excel in their respective fields of interest.
- Counsels the students on their individual professional concern and ensures an work-life balance.

The segments covered under the purview of CSUC are Softskills/LifeSkills, Corporate Communication and Aptitude.

#### CSUC Certification Programs

- Corporate Foundation Learner Certification
- Corporate Foundation Expert Certification
- Corporate Transition Learner Certification
- Corporate Transition Expert Certification
- Corporate Conduit Learner Certification

**OUR RECRUITERS**

A highly dynamic global business environment calls for specific skills. India is marching ahead with the fast pace. The 21st century belongs to us and in this effort the country will definitely need young, trained and skilled technocrats and professional managers. Here, in GMIT, students acquire industry specific knowledge, soft management, character formation, team work and developing a creative way of presenting their thoughts and ideas, apart from routine academic training and courses.

**Arvind Singh**  
Alumnus 2006, Computer Science and Engineering  
Senior Software Engineer, California, USA

It was my mom's decision and support to take up the vibrant offer from LPTU. Can't thank her enough for her intuition as this was one of the best decisions of my life. GNICT gave me the personal and professional growth needed to succeed. The faculty, the power of experiment, and friends for life were all one big package gift for the rest of life and career. My first job at IBM through campus was very special and provided me for growth. Thank you all at GNICT family and all the best for taking the institute to greater heights.

**Deepak Sharma**  
Alumnus 2006, Information Technology  
Senior Software Engineer (Senior Software)  
R&D Technology, India

Finding the right path to success at the right time is really very important and for that I had selected GNICT in 2004. This college had and still does have a fantastic reputation for its academics. I believe it was the best place for me to develop academically and culturally and at the same time it offered me opportunities to grow as a person. With the blessings of the GNICT family, I was able to crack campus placement and today I work for a MNC. It's GNICT's environment that gave me the confidence to be able to communicate and work with people having so many diverse cultures and working in different parts of the world. I believe the academic staff of GNICT were a big influence in my life and helped me to shape into the person I am today. A big thanks to the GNICT family and especially to the CS and IT department.

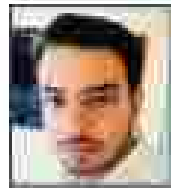

**Harshit Bopari**  
Alumnus 2006, Computer Science and Engineering  
Management Faculty, India  
Assistant, Senior, Atlanta, USA

The experience at GNICT was very enriching. The availability of Professors, the community of learners and endless opportunities for innovation were the main highlights of the program. I learned much about myself in college, which helped me prepare for professional career and adopt emotional intelligence.

**Shilpa Chaudhary**  
Alumnus 2006, Electron Engineering  
Senior Engineer  
R&D, Bangalore, India

I am really thankful to get a college like GNICT for my B.Tech education, as it had been a very interesting and awesome journey. Choosing GNICT was one of the best decisions I have ever made. At this College I gained friendship and experience which added a different perspective to my life. It was great to be taught by amazing teachers who are the best. They always motivated and encouraged me to face the risks and learn new things. I also want to share my feedback regarding the placement things in the GNICT. It offers great placement opportunities to its students with some of the top companies.

**Amit Balyari**  
Alumnus 2011, Computer Science and Engineering  
Technical Account Manager  
Style Communications, India

Today I am writing this note to thank GNICT for the unforgettable student years given to me. GNICT showed me that the world is full of possibilities and the curriculum at GNICT gave me a life skill that I will always treasure. GNICT advocated instilling empathy in myself and paving the way for a successful future. I would like to thank all my Management team, Academic & Non-Academic staff for the support they have bestowed upon me in different capacities. I will always cherish my moments of association with the organization.

Thank you for providing such a great student life and I wish GNICT, its teachers and students a very great and exciting future ahead.

**Anish Kumar Singh**  
Alumnus 2011, Electronics and Communication  
Engineering, Government Polytechnic  
Ministry of Commerce and Industry

GNICT is one of the oldest institutions of Greater Noida which is continuously changing its infrastructure with recent demands of Engineers. In simple words I would like to say that this college provides a perfect platform to young mind for private job through its dedicated placement cell as well as government job through the counseling of its highly experienced faculty members. I am very thankful to all members of GNICT who continuously guided me during my preparations. I have great respect for my HOD and faculty members.

**Rishi Ranil**  
Alumnus 2006, Mechanical Engineering  
and MEMEP, Member Officer  
NAT CHEMICALS

College is one of the most memorable parts of a student's life. I will always be grateful to GNICT for giving me an exceptional faculty, industry experience, attitude of leadership, memories and a tranquil mindset to face the next set of challenges in life. One of the greatest things about any college is their faculty and GNICT has a great faculty who all have a great teaching experience and they welcome new ideas and innovations, especially if I talk about mechanical engineering.

**Nadoum Ahmad**  
Alumnus 2016, Civil Engineering  
Senior Technical Assistant Manager  
Wipro India Pvt. Ltd, India

The time spent at GNICT is the most memorable period of my life so far. The college has always helped me shape myself into a better version. I was involved in cultural activities since the start and that platform helped me to explore myself. I eventually became the Chief Coordinator of the GNICT Cultural club. Our club incharges, Mr. Manish Ashish and Mrs. Vandita Tiwari always guided and supported me throughout. Faculty members are very supportive here. To be honest I was an average student in academics, but being the essential part of extra-curricular activities, I had tremendous love and respect from my classmates and juniors as well as heart-warming support from faculty members. My involvement in cultural activities enhanced my leadership skills and confidence. That is not something you can get through academics alone. It made me learn various other things as well and shaped me to the best. I still wonder how quickly those days passed. I will carry those memories in my mind forever!! I just want to say THANK YOU GNICT!

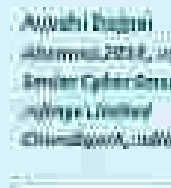

**Omair Farooq**  
Alumnus 2012, Information Technology  
Lead - Global Services  
The Economic Times, India

From committing the future to an institution to applying and meeting lifelong friends as well as well-wishers (and teachers), this college has given me all. My time in college has enriched my life by providing me with the necessary tools to enhance my skills more, taught me valuable knowledge not only about engineering but also about this diverse world and people and contexts in general and eventually enabled me to move into the corporate world as a confident Goid.

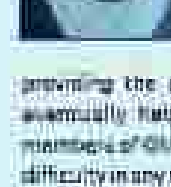

**Gaurav Kumar**  
Alumnus 2011, Mechanical Engineering  
Project Engineer  
Abstar Chemicals Ltd.

Life at GNICT has been the most memorable years of my life. The Mechanical Engineering Department and its faculty members helped me gain exposure to new technologies, experiences and things that I was not familiar with earlier. At GNICT, I learnt to be independent, it made me stronger and taught me three lessons of life that helped me succeed.

**Ajay Singh**  
Alumnus 2016, Information Technology  
Senior Cyber Security Analyst  
Cyber Lineer  
Chennai, India

I had read somewhere that an individual's intellectual and social stimulation begins from the college and I feel it's very true as I have experienced it.

I will always be grateful to GNICT for giving me multi-dimensional exposure and learning by providing the set up of academics and leadership which has eventually helped me being more socially active. The faculty members of GNICT are always ready to help you out if you face any difficulty in any subjects or while working on various projects. Thank you GNICT for the wonderful experience! I will cherish it forever!

**Mithul Kumar**  
Alumnus 2016, Civil Engineering  
Senior Engineer  
Ministry of Railway (Government of India)  
Gurgaon

My graduation at GNICT completed in 2016 has been a very interesting and awesome journey. Our college GNICT is one of the best engineering colleges in Greater Noida. Campus life of our college is very peaceful and attractive. At this college I gained friendship and experience which added a different perspective to my life. All teacher members of this college are very supportive, caring and helpful. They always motivated and encouraged the students. They always supported me to achieve my goal. From their support and my hardwork I started my journey as a junior engineer in Indian railway. I am and will always be thankful to GNICT for making this path so smooth.

# ALUMNI SPEAKS

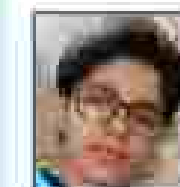

**Esha**  
Alumnus 2018, Electronics and Communication  
Engineering  
Technical Software Developer  
Wipro Technologies Pvt. Ltd.

GNICT is one of the best private colleges in Greater Noida with great infrastructure, faculties and a visionary leadership. It has an amazing work and study environment where students can showcase their talents and can go to higher levels of success. It has an in-campus hostel facility where students from various states of India can have a comfortable stay. There are a number of extra-curricular activities that are conducted in the campus by various clubs. I am a proud alumnus of this college and it has taught me quite a lot of things in context to co-operation and coordination with friends, culture, teaching, etc. Studying here has been an extra-ordinary experience.

**Sumit Kumar Singh**  
Alumnus 2009, Computer Science and Engineering  
Associate Engineer  
Nagarjuna Group

"GNICT has been crucial in helping me prepare for a successful life from the very beginning". It has been possible because of the enthusiasm of the professors who always lent their support in making sure that every student remains competitive and acquires plethora of knowledge throughout our journey. GNICT helped shape not only academic skills but even co-curricular activities like public speaking, quizzes, etc. The love from teachers made us feel like a family and instilled a lot of confidence that was crucial when we stepped out. Practical training, dedicated lab works, pre placement preparations was one of the best ways that they helped us get ready for the battle ahead. All in all, it's been a lovely journey and GNICT will most certainly play an important role in whatever success comes our way in the future.

**Nisha Sharma**  
Alumnus 2006, Information Technology  
Software Analyst  
IT Technology, India

I am very thankful to my college, "GNICT" Greater Noida for where I am today. After joining this College way back in 2005, I got a chance to come under the excellent mentorship of Professors here, who were always around to guide me and to help me plan my career. The various lab sessions and workshops that are regularly conducted as a part of the curriculum helped me gather a lot of practical knowledge of my subjects. Apart from learning technical skills here, I was also part of the Cultural Club of my Engineering College. I am very thankful to Mr. Manish Ashish and the Department of IT, who always supported me in every little thing. I am also grateful to the placement team who helped and trained me during the interview preparation and provided timely feedback to focus on technical as well as on behavioural skills.
