VISION

To be a leading global Jesuit university, innovative in academia, grooming compassionate and resilient leaders to lead organizations for a just, equitable and sustainable society.

MISSION

In the spirit of Magis, XIM University strives to:

- Promote innovation in learning and the total ecosystem,
- Nurture multidisciplinary thinking and lead next practice research.
- Serve society by empowering all sections of society.
- Lead digital thinking in social and developmental issues.
- Establish trust in the higher education arena.

VALUES

- Integrity
- Excellence
- Inclusiveness
- Compassion
- Sustainability

MESSAGE FROM THE VICE CHANCELLOR

Dear Recruiters,

I am delighted to welcome you to Xuberance 2022, the annual campus hiring programme for Xavier Institute of Management, XIM University - A university known for its academic rigor and strong foundations; stands for education in "The Spirit of Magis". With the vast 34 years of experience, we continue to inspire future generations to work for the greater good.

In these changing times, we ensure that our students are empowered with the knowledge, skills, and attitude, making them competent, innovative, visionary, committed, value-based business leaders. The students are shaped by the vision, values of excellence, and ethics set by the XIM University which teaches them to be humble citizens and symbols of hope in the society who can embrace change with optimism.

At the University, the brand of quality contains the mission of promoting innovation in learning and the total ecosystem, nurturing multidisciplinary thinking and lead next practice research, serving society by empowering all sections of society, leading digital thinking in social and developmental issues, and establishing trust in the higher education arena for the common good of all.

We often revise our curriculum to keep it pertinent to the needs of the rapidly changing business environment. Our students, endowed with a passion for learning and a commitment to excellence, look forward to challenges to prove their determination in the opportunities provided by you.

I warmly welcome you to XIM University and look forward to your full participation in our annual campus hiring programme 2022.

Fr. Antony R. Uvari, S.J.
Vice Chancellor
XIM University

“

We can each define ambition and progress for ourselves. The goal is to work toward a world where expectations are not set by the stereotypes that hold us back, but by our personal passion, talents and interests.

-Sheryl Sandberg

”

MESSAGE FROM THE DEAN (ACADEMICS)

Xavier Institute of Management

I on behalf of the faculty body heartily invites you to participate in the XUBERANCE 2022. We are sure that you will find the right talent to take your organization to the next level. The success of our alumni in the business world is the testimony of our passing out students.

At Xavier Institute of Management, you will find a healthy mix of passion, diligence, and commitment to excellence among our students. A group of highly committed faculty members has trained and shaped them in the university's state-of-art infrastructure and facilities. Now, they are ready to shoulder with your organization and take up any challenge that you may wish to assign. Our faculty members have made sure that, at any challenge, these students will not only contribute in terms of financial numbers for your organization but also work towards the increasing trustworthiness of your organization in the eyes of society at large.

We have been continuously improving our student and faculty quality by improving selection processes, curriculum, and pedagogy. Moreover, we keep collaborating with industries to expose our students about the recent developments in the business world and engage them with a multitude of stakeholders from industry.

I am sure that, once you interact with our students, you will find them grounded and aspiring to make a difference to the world!

Once again, I invite you to participate in XUBERANCE 2022, and I am personally looking forward to welcoming at Xavier Institute of Management.

Prof. Shridhar Dash

Dean (Academics)
Xavier Institute of Management

“

Never think that lack of variability is stability. Don't confuse lack of volatility with stability ever.

-Nassim Nicholas Taleb

”

MESSAGE FROM THE REGISTRAR

It is with utmost pleasure and regard, that I invite you to Xavier Institute of Management, XIM University, Bhubaneswar for Xuberance 22, the annual placement process. Ever since its inception in 1987, XIM has continuously focused on inspiring the future generations with compassion, integrity and excellence. Our aim has always been to contribute to the world, students possessing not only adequate knowledge and skill but also commitment and vision for the betterment of society. These objectives motivate the faculty, staff, students and all other stakeholders to outshine year after year. Our faculty with diverse profiles, knowledge and experiences mentor the students with unparalleled experience, education, and outlook of the business world ahead of them. We equip them with excellent managerial skills, discipline, ethics, and values. The hard work and dedication of our graduates get recognized every time company recruiters express their delight towards the quality of our students. This batch of students are uniquely talented yet homogenous when it comes to intelligence and proficiency. They are prepared to embark on their journey of leadership. I earnestly invite your esteemed organization to XUBERANCE 2022 and witness the high quality and unmatched talent we have on offer to the world of business.

Fr. S. Antony Raji, SJ,
Registrar
XIM University

“

Education opens doors that help children pass from school into the world around them – a world of work, culture, intellectual activity and human involvement.

– Gerald R. Ford

”

MESSAGE FROM THE ASSOCIATE DEAN-CAS

Greetings from Xavier Institute of Management, Bhubaneswar! I am indeed privileged to be addressing you this year on commencement of this academic year with hope, aspirations and expectations after a troubled year of combating the pandemic. It is with considerable pride, I would like to inform you that despite the trying circumstances, we have been able to place all our students in industry in leading organizations of the country. This has been possible only because of the whole-hearted cooperation and encouragement of our industry partners and alumni who have helped us tide over this difficult situation.

Meanwhile, there have been significant changes that has happened during the course of last year. Xavier University, of which XIMB was a part of, has been rechristened as XIM University by the Odisha Government and we are the Business School for the same. This change was necessary to bring in unification of all the schools under the University and leverage the equity of XIMB over three decades for the entire university.

It is with this fond hope and wishes that we are again approaching you at the beginning of this year's recruitment season. The pandemic is yet to be over, and it has made us learn a lot of lessons that shall stand us in good stead as we go about our activities in this year. We are among the forerunners among the management institutes in this country to start off our academic session, relatively early this year and we certainly hope to complete our sessions in time so that our graduates are ready to join their respective organizations, as and when desired by you.

I would like to take this opportunity to extend my warm invitation to all of you to come for recruitment this year. As of now, we are still hopeful that we would be able to welcome you physically (or virtually) in campus. Our team shall be in constant touch with most of you to ensure that this coordination takes place seamlessly and smoothly, taking your convenience into account. Feel free to reach out to me or our officers at any time you need any assistance.

Looking forward to interacting and welcoming you in campus.

Dr. M N Tripathi
Associate Dean (CAS)

“

Desire is the key to motivation, but it's determination and commitment to an unrelenting pursuit of your goal – a commitment to excellence – that will enable you to attain the success you seek.

– Mario Andretti

”

THE UNIVERSITY & THE INSTITUTE

Xavier Institute of Management, Bhubaneswar started in 1987 and now we have grown to become an University. "XIM University" is dedicated to research & teaching that meets the highest standards of excellence; to conduct research that breaks new ground; and to provide services and solutions that help individuals and the local, national, and global communities.

XIM University is a state private university located in the city of temples, Bhubaneswar, India. The university has been established in accordance with the

XIM University, Odisha Act, 2015. The university is a self-financing institution of higher learning for imparting professional and technical education. Over the years, XIM University has been widely recognized for its excellence in imparting management education. It is counted among the leading management institutions in the country. It offers an enriching array of programmes. Out of the wide array of programmes, XIM University, Bhubaneswar offers the following flagship courses as part of its curriculum.

MBA - BM (MASTERS IN BUSINESS ADMINISTRATION)

Awarded the South Asian Quality Assurance System (SAQS) Accreditation

The Association of Management Development Institutions in South Asia (AMDISA)

For the last 50 years, Xavier Institute of Management, Bhubaneswar holds integrity, honesty and respect for individuals to be of paramount importance and it continues to develop competent and committed leaders through dissemination of quality management education in the real world of existing world, as XIM University endeavored to broaden its global outlook and has greatly enhanced its presence in the international arena through initiatives such as hosting international business conferences and student exchange programmes. Xavier Institute of Management, Bhubaneswar has been awarded the South Asian Quality Assurance System (SAQS) Accreditation by the Association of Management Development Institutions in South Asia (AMDISA).

TWO-YEAR FULL-TIME

Masters Programme in Business Management

01

Objective

The two-year programme is designed to prepare competent men and women for careers in management in the corporate sector and in public systems. The courses impart a generalist perspective, which enable students to view the entirety of an organisation as well as its place in a larger environment. The students are also trained in technical and functional business skills such as accounting, finance, marketing, systems and operations; and are helped to develop their analytical and integrative skills so that they can define problems with clarity and formulate alternative solutions for implementation. Besides professional expertise, the programme looks to train students for collaboration and teamwork through the development of human relation skills, and of attitudes which elicit a commitment to excellence along with awareness of their social and ethical responsibility.

02

Faculty

Xavier Institute of Management, Bhubaneswar boasts of a blend of academicians, researchers, professionals, administrators, consultants and managers which bestow the students with high-quality training during the course of the programme. The permanent faculty comprises of experienced consultants from the various streams of management, with many of them having industrial and corporate experience. Also there is a healthy pool of visiting faculty and professionals from other major B schools of India and the corporate, which further amplifies the quality of education.

03

Programme

The Business Management programme is the flagship programme of Xavier Institute of Management, Bhubaneswar ever since its commencement in 1987. The curriculum lays the foundation for a conceptual and analytical understanding of Indian and International business. Xavier Institute of Management, Bhubaneswar BM programme is designed to closely integrate current management theory and practice. The course has an evolving programme content and is constantly updated to be in tune with the emerging trends and practices.

04

Programme Design

The Programme consists of core course credits and elective course credits totalling 105 credits. A course can be of 1.5, 3, 3 or 4 credits. One credit is equivalent to 10 contact hours. In the first year, the students are exposed to the core courses only. These are certain basic and functional area courses. The objective is to expose the students to the social and economic environment within which businesses operate in India. The areas covered include Accounting, Finance, Economics, General and Strategic Management, Information Systems, Marketing, Organisational behaviour and Human resource management and Decision Sciences areas.

05

Degree

XIM University awards the MBA degree to the students who successfully complete the course work equivalent to 105 credits, fulfil the prescribed academic standards, and do the summers project as per the prescribed requirements.

INFRASTRUCTURE

Xavier Institute of Management

The Institute is located on 23 acres of verdant campus on the Mandira Kavya Road in the neighbourhood of NALCO, Formula Tennis, Tech Mahindra and other renowned business houses and institutions. The entire Wi-Fi enabled campus houses the faculty residences, office complex, library and computer center complex, class room complex, auditorium complex, Halls/cafeteria for guests, ladies and executive participants, CEMERET building, Management Development Centre (MDC) and Studio Apartments. In addition, the Institute has a Football, Basketball court, two Hockey tennis courts, indoor badminton court, gymnasium, and playgrounds for cricket and soccer.

Sports and Fitness Facilities

Xavier Institute of Management, Bhubaneswar prepares students for the corporate world by providing the best sports facilities. The fitness enthusiasts can experience body-mind balance by working out in the well-equipped gymnasium and jogging track. Basketball, Badminton, Cricket, Football, Tennis, Table Tennis and Volleyball are the popular campus sports. Periodical sports events are organized by the sports committee to add relaxation for the physique as well as to revitalize from intellectual fatigue. Besides sports events, the Student Executive Council (SEC) takes initiatives in arranging cultural events and intellectual programs.

XIM University Campus

XIM University Campus is located on 35 acres surrounded by natural beauty and a digitalized campus with Wi-Fi and with state-of-the-art facilities. This campus is at Karki Rajigarh under Pipli Taluk, situated at a distance of 20 km from our existing campus (12 km from the Bhubaneswar Biju Patraik International Airport). It was inaugurated on 7th July 2014 by Shri. Naresn Patraik, the Honorable Chief Minister of Odisha. This campus has all the facilities that are available in the Xavier Institute of Management.

Management Development Centre

The Institute has set up a Management Development Centre (MDC) on campus with all modern facilities. It has 3 suites, and 34 twin-sharing, air-conditioned rooms with round the clock internet connection. The MDC has four training halls with the latest training aids. In addition to all these, the Institute has built a hi-tech air-conditioned auditorium which can seat 850 people.

Class Room Complex

The Class Room Complex includes air-conditioned lecture halls, seminar rooms, syndicate rooms, multi-media hall, computer labs and an executive class room. The class rooms are equipped with educational audio-video equipments, tablet PCs, computers with large monitors, LCD projectors and network connections. While most classes are held in the lecture halls, some prefer the library adjacent to the classroom complex for education with the soulful touch of nature.

Residential facilities

With academic activities round-the-clock, students are required to live on the campus. There are separate Residences for guests and ladies. All the rooms have 24-hour Internet connectivity through the latest Wi-Fi technology. With the installation of laser printer and photocopying machines, round-the-clock printing and copying facilities are available to the students. The Residences also has a Multi-purpose Hall, Cooperative Store and a Book Club. All the Residences are equipped with washing machines, water coolers, geysers, telephones, televisions, and indoor games like carrom and table tennis. We also have facilities for uninterrupted power supply to all the Residences during power failure. The Mess is managed by a students' committee and serves both vegetarian and non-vegetarian meals. The X-cafe provides a variety of fast food to the students who work till late in the night. The Executive Hostel has 48 air-conditioned and self-contained single rooms and a mess managed and run by the Institute. The Studio Apartments have 12 self-contained, air-conditioned flats, 5 Faculty Quarters, 72 self-contained, non-air-conditioned, twin-sharing rooms, and 24 self-contained, furnished, double sharing rooms for Management Training Programs. A doctor is available for consultation in the campus from 6.00 p.m. to 7.00 p.m. every day except on Sundays. A dispensary is set up in the University Campus where the doctor is available from 5.00 p.m. to 7.00 p.m. every day except on Sundays. An ambulance is available for 24x7 for the emergency. A full-time nurse will be assigned to help the residents for consulting any health concerns. All the residences have security guards to safeguard and to stop any outsiders entering into the residences.

FINANCE

X:FIN

"An investment in knowledge pays the best interest."

X:FIN, the Finance Association of Xavier Institute of Management, Shubanshiw, strives to ease the journey of the students through the finance subjects by designing assignments, tutorials, knowledge sharing sessions, and conducting various events. The flagship event, Finofests - The Annual Finance Conclave, has been graced by many an esteemed personality in the past, notably Mr. Shaktikanta Das (Current Governor of the RBI), Mr. Sachidanand Shukla (Chief Economist, IIMB) and Mr. V. Soudharajan (CEO, BSE Limited). The competitive events include quiz (Bizzdom), article writing (Budgetize, Financia), Online Simulated Stock-Trading (Tradeant), and case study (Fincase). Non-competitive events include FUP National Challenge, Finofests Career Advisory Session, and Budget Conclave in collaboration with World Trade Centre. Various courses and certification programs (ICICI Direct, RUP) and immersion courses are also provided in collaboration with corporate houses and regulatory authorities (ICICI, SEBI). Students are also offered opportunities for live projects with Finofests, Finofests, and many more corporates. X:FIN took a new initiative in the year 2020 named Mark-the-Market, which provided a detailed study of top gainers and top losers in the stock market daily through social media platforms. X:FIN also publishes Finofests (annual magazine) and Finofests (regular newsletter) with content drawn from bright minds across the nation and the latest developments in finance. Thus, X:FIN is committed to creating the right atmosphere to inculcate finance understanding in the leaders of tomorrow.

STRATEGY & GENERAL MANAGEMENT

What makes a Country successful in vaccinating its entire population and generating herd immunity? It is the strategy laid behind it or a set of keen and observant minds that detail every move in the demand and supply part.

Constat, Xavier Institute of Management Consulting and Strategy Consortium, aims to transform great minds into strategists who can see the big picture and the right framework to produce the best results. We make sure that everyone pursuing an MBA has the opportunity to hone their strategy and consulting skills through a series of events.

STRATONOVOS 2020, the annual business conclave of CONSTAT, the Consulting and Strategy Consortium of XIM, was conducted on 8th November 2020. The topic for discussion was "Revolutionary vs. Evolutionary Strategies: How to Tackle Business Uncertainty?" Dr. Amar Kishorek, Professor, Xavier Institute of Management, began the

proceedings by explaining the various faces of the topic. In the presence of our assembled guest speakers Mr. Perry Cook, Chief Strategy Officer, United Elevators, Mr. Devraj Das, Co-founder and MD, Primus Partners India, Mr. Akshat Mohindra, Global Account Manager, CSCD, and Mr. Rohan Pothal, and Group Brand Manager, Asian Paints.

Constat also organized various competitions including Guestimate and Atuljean, along with our flagship Haven – A national level case study competition that became a huge success with participants across all B schools working on a live case study. A series of peer-to-peer learning discussions were held for the fresh batch every year to get their hands on Guestimate, case studies, and many more.

If one wishes to juggle between the fun and trick side of MBA, then Constat has just the thing for you.

The annual business conclave of CONSTAT, the Consulting and Strategy Consortium of Xavier Institute of Management, was conducted on

8TH NOVEMBER 2020.

MARKETING

MAXIM

"Yesterday's home runs don't win today's games." - Babe Ruth

These are the words that we have ingeniously imbibed in our unending pursuit of modernizing courses and activities.

MAXIM, the Marketing Association of Xavier Institute of Management, is the oldest student committee in the 30 plus year old legacy of the institute. The committee was created with a vision of bridging the gap between the theories taught in class and the practical applications required in the industry. We believe live projects, events and interaction with industry stalwarts help students get acquainted with the challenges and current trending industry practices. MAXIM provides several Live-Projects for the students to make use of the skills learnt in the classes. We constantly engage with established corporations and start-ups to bring out the most relevant projects for our students, which will help them be industry-ready.

Talking about the events, we start our year with "WordQuiz", an Online Quiz Competition and follow it up with "Pitch Please", our Business Idea Promotion Competition wherein

participants try to solve pertinent problems. Then, we have our Annual Business Symposium, "MERCATIQUE", which provides a platform for the young marketers of XIMB to interact with industry experts and discuss recent sales & marketing trends.

Also, MAXIM organizes English Meet, Mowen's National Case Study Competition, usually launched on the DCC platform. Over the years, the competition brought in live business problems, which helped students apply their theoretical knowledge into practice. In 2021, the competition was conducted in association with Wiley - Celebrate Relations and Shining Careers.

In addition to this, we have Hackathon, Merit Meet and Motivations as our important events that benefit the college's student community and, most importantly, help Xavier Institute of Management remain updated with recent trends of Sales & Marketing world. Marketing is constantly changing and probably it always will, and here at Xavier Institute of Management, obviously, we are evolving ourselves by remaining true to our vision of "Taking marketing to the masses".

we have our Annual Business Symposium, "MERCATIQUE", which provides a platform for the young marketers of XIMB to interact with industry experts and discuss recent sales & marketing trends.

OPERATIONS MANAGEMENT & DECISION SCIENCES

X-OPs

"Working together is a beginning, Keeping together is progress, Working together is Success!"

- Henry Ford

X-Ops, the Operations Committee of Xavier's Institute of Management, Bhubaneswar, consists of a group of passionate individuals known for striving towards helping the students build a better understanding of the world of Operations and Decision Management.

An array of events and activities are planned to keep the spark alive throughout the academic calendar. The calendar year is kick-started with one of the most coveted Ops events of the committee, "Burnout." This is followed by the flagship annual national convive of X-Ops, "Zohwamedh," which is responsible for bringing eminent business personalities on a common platform to help facilitate talks around solving issues around the world of Operations. The theme of discussion for the Ashwamedh 2020 was decided on "Emerging Technologies and the Future of Supply Chain," which gathered

a great buzz. "Samban," a case study competition hosted to test the understanding of the students in an industrial situation, and "Mimic," a business simulation game meant to stimulate the young minds through a range of online quizzes and simulation rounds, have been two of the most anticipated events of the calendar year. Apart from the events, the committee is determined to bring in immersion courses to help the students gather a range of industry-specific knowledge and expertise and help them have an edge in their career prospects.

The committee is also responsible for arranging many Certification courses organized to supplement the course material. The past year saw Certification Courses being offered by Henry Harvin and NPNG in the field of CBAP, CCAP and, Lean Six Sigma Green Belt, which helped the batches explore the world of business using updated tools, techniques and frameworks to help the interested batch of students pursue their careers in the field of Operations and Data Science.

SYSTEMS

XSYS, the Systems Association of Xavier Institute of Management, is a student-managed body to promote IT and Systems related activities on the campus. This committee works towards inculcating the discipline and knowledge required to appreciate and understand the workings of the exciting world of Systems and Information Technology.

XSYS hosts a significant set of events that spill over from the arena of academics into practical aspects of the Systems area: Panel Discussions, Paper Presentations, Talks by eminent luminaries from the IT world, and many other activities keep the students engaged through the year. XSYS is also responsible for facilitating immersion courses and electives in the Systems area.

The committee organizes a national-level IT summit to expose budding managers of the future to the various aspects of Information Technology, including future opportunities and challenges faced by the industry. In addition to the panel discussion, the

event also includes a paper writing competition in which participants from top business schools across the country take part. The top three articles are published in the upcoming corporate edition of XIM magazine, circulated widely in the industry and other business schools throughout the country. Core Operations, the annual fest of Xavier Institute of Management, XSYS makes its presence felt by conducting various business simulations and case study competitions that test the different concepts the participants have learned in different streams of management and their application in designing innovative solutions covering all aspects of the problem in terms of cost, time and feasibility.

On the whole, it is a community that works with the students of the Institute that emphasizes the importance of cutting-edge practices, concepts, and technological skills in the changing marketplace and how they can be applied to drive business and organizational change.

STUDENT ACTIVITIES

Student Executive Council

The Student Executive Council (SEC) is the apex students' body at Xavier Institute of Management, that serves as a link between the administrative authorities and the entire batch. The members of the council are elected for and by the students of the college.

The council conducts the election process of the class representatives and cultural representatives for the junior batch. The leaders so elected act as a bridge between the students and the faculties, thus ensuring that the concerns and queries of their classmates are addressed and taken care of. Meanwhile, they are also responsible for imbuing an active and fun-filled life among the students by organizing various activities or celebrating various festivals as such students get a chance to have some fun apart from the academic rigor.

The body also takes care of hygiene activities such as maintaining discipline in the campus, grievance redressal among students, managing and allocating funds and resources for various student activities, inducing the incoming batch to campus life, committee lunches, and other matters concerning students.

One of the significant tasks of the SEC is to conduct Xpressions, the most prominent management and cultural fest in Eastern India. There are a lot of members involved in the success of this great event. SEC appoints a team of energetic students as the Xpressions Steering Committee to manage the three-day extravaganza. This extraordinary event is made possible by the tireless efforts of all the committees under the leadership of the SEC who are the backbone of the entire team.

As a reaffirmation of Xavier Institute of Management spirit of giving back to the society, we also

hold pre-Xpressions events like X-Athon, half marathon supporting a social cause like girl child education, helping underprivileged children, etc. The nationwide lockdown had forced people indoors, because of which many were subjected to mental and emotional stress. Therefore, the theme of X-Athon was "Mental Wellness, One Stride at a Time." With a unique scenario of lockdown, the marathon was also organized in a different manner where participants could run, jog or walk anytime with their near and dear ones, maintaining the COVID safety guidelines.

Since the pandemic, everyone has been going through a lot. Restricted to their homes and confined to the computer screens for any activity while staying away from campus, everyone tried to accept and adapt to the new normal. In order to rejuvenate the mind and spirit of the students' fraternity, SEC along with other committees, did not fail to celebrate togetherness in these difficult times. They hosted a virtual event, "Qasifa", a humble gathering for the students, faculties and staff to bring everyone together and unlock happiness. They invited Mr. Yami Bhaskar (Singer) and Mr. Rahul Das (Stand-up comic) for a virtual live performance, who left the crowd stunned and amazed with their scintillating show.

Alumni Committee

"Today is either the worst or the best day more than its day!" - N. R. Narayana Murthy

The XIMB Alumni Committee is instrumental in nurturing, preserving, and promoting a strong relationship between the esteemed alumni, present students, and the prospective students of Xavier Institute of Management, Shubasekhar. The vision of "One Family" is something the Alumni Committee strives for and has dynamically been conducting activities and events to sustain the bond between its alumni. Additionally, it has been providing multiple platforms for the current batches to engage with and receive guidance from the alumni network.

They say you need experience to gain wisdom. The Alumni Consecration was conducted for the batch 2020-22, where alumni enlightened students with valuable tips for planning and navigating their MBA journey. The insightful speakers for the event included Mr. Debajit Mishra, Mr. Sameer Kumar Patra, Mr. H. Javed Sique, Mr. Shalmi Ray, Mr. Rajesh Agrawal, and Mr. Neha Wei.

Done 20- "Guiding your way for better tomorrow" is the annual student-alumni interaction event conducted in September 2020 this year with the theme "Maintaining Business Continuity during the Pandemic- Disruptions & Challenges". Industry stalwarts such as Mr. Sam Senker Mishra, Mr. Divyesh Agaryal, Mr. Abhijit Mishra, Mr. Rohit Senyati, Mr. Sobhrajit Rout, and Mr. Aditya Mohanty shared their domain-specific expertise and experience in and beyond XIMB to help the students with career guidance.

Beside the uncertain times, the Alumni Committee proudly introduced a new event, "Doxyday - A Journey to Excellence", a series of webinars to enable students to understand various business aspects and interact and learn from our distinguished alumni. The prestigious speakers were Mr. Gopi Satapathy, Mr. Snehal Satodi, Mr. Rajesh Sarangi, and Mr. Sobhrajit Sharma.

With XIMB up on social media platforms, the Alumni Committee of XIMB endeavored to highlight the accomplishments of our illustrious alumni.

Unmyriad official publication of Xavier Institute of Management, Shubasekhar Alumni Committee, is dedicated effort to preserve, promote, and forge strong relationships with alumni. It is presented as the annual megamag for all its stakeholders to keep them up-to-date on the happenings at XIMB throughout the past year.

"Things end but memories last forever." To bid adieu to the outgoing class of 2021 with warm memories of their life at campus, the Alumni Committee designed Reminiscence, the Annual Yearbook, as a dossier of memories and token of love and appreciation.

Moreover, the X-Alma Mentorship Program was organized with the objective of providing the enthusiastic students with individual guidance and mentorship by experienced alumni during their Summer Internship Program.

illuminatix

illuminatix is the Media & PR Cell of Xavier Institute of Management, Bhubaneswar. One of the core committees on campus, illuminatix works through the year with over 100 media houses and media partners such as Business Standard, The New Indian Express, and others to promote the institute to the corporate world.

illuminatix hosts TEDxXIMB. TEDx is an independent event, organized to spread cutting-edge and progressive ideas throughout the world. TEDxXIMB had its 5th edition, with the theme 'Soybean Wheel, Unwinding Happiness'. The event witnessed speakers such as a filmmaker, a medical clown, a tattoo artist, an environmentalist, an entrepreneur-teacher, a police officer, and a singer.

illuminatix also handles the coverage and publicity of every event at Xavier Institute of Management, Bhubaneswar, such as Foundation Day, which was graced by Sri Sompr Goenka, Chairman, BP Group. It also helps promote the various business conferences that take place across a variety of management domains. illuminatix helps promote Xpressions, the annual business-cultural event of XIMB. To ensure the success of the fest, the committee works tirelessly for the publication of press releases, promotional activities, video, and photo coverage of various events continuously for the three-day fest.

illuminatix also manages all of Xavier Institute of Management, Bhubaneswar social media handles. To keep in constant touch with the world and XIMB's prestigious alumni, it takes up social media campaigns such as Internship Diaries, where students interning in various industries come up and share their experience, learnings, and guidance for the incoming batch. illuminatix helps aspiring candidates take informed decisions before taking venturing into the corporate world. Post-convention, illuminatix helps with the onboarding of the students. All year long, illuminatix works closely with the administration to create clear and concise communication channels with the students as well as other B-Schools across the country to nurture fruitful relations in the years to come.

IRC- Transcending Boundaries Committee

The International Relations Committee is dedicated to managing the international face of Xavier Institute of Management, Bhubaneswar. It works in tandem with the Student Exchange Offices of various Universities across the globe, fostering new tie-ups and working towards exploring further areas of collaboration with existing and prospective partners.

From hosting exchange students from all around the world to encouraging our students to quench their penchant for management education outside of Xavier Institute of Management, Bhubaneswar, IRC has been consistent in its efforts of widening the scope of learning at Xavier Institute of Management, Bhubaneswar. The main objective of the committee is to facilitate the exchange process for outgoing students in their 5th term and to manage the Hospitality and mentorship of the incoming students.

The International Relations Committee maintains partnerships with various universities around the world, ensuring that both inbound and outbound exchange students find the application process easy to comprehend and that their subsequent stay in the new country is as smooth as possible.

The committee is a student-driven initiative and is the primary point of contact for students interested to spend a part of their

Sports Committee

SportsCom is responsible for instilling and curating the spirit of sportsmanship and healthy competition among our students. The committee organises various, inter-college, inter-college and corporate level competitions to give our budding managers a chance to showcase their talent and zeal in the sporting arena. The logistical, financial and organisational challenges of these competitions are managed by the student members steering their overall development. Apart from the above, the committee takes charge of the upkeep and provisioning of sporting equipment and ensures that the ground facilities, pitches, courts for the multiple sports played inside our premises are maintained and properly utilised. The major sports that we organise are Cricket, Football, Table Tennis, Badminton, Lawn Tennis, Basketball, Chess, Pool, Throwball and Volleyball. The last year was a challenge for all of us. To get the spirit going and winning

sections, we organized an online event Carabaderie 1.0. The online mode presented a great challenge and we came up with a 7-day Indian Sports Quiz in association with IIM Sambaspur which saw participation of 100 plus Teams. To bring Indian Football close to our hearts we invited Mr. Mandar Tanhware, CEO of IIM Bangalore FC, for a session wherein he discussed various aspects of Indian Football and management challenges of running such a huge club. And when the College went offline, we take pride to be the committee which organised maximum events in short span of 1 month ranging from X-Sports 20, the 1st Inter Section Sports Championship, Synergia 20, the Junior's Senior Sports Championship, and Axiom'20, the last round of friendly matches to transfer Custodianship of Various Sports. In the year 2019, the committee conducted a plethora of events prominent among them, Atlas and Classroom Atlas'19, the annual

inter-college competition spanned three days and saw participation from around 300 players across six business schools- XIMB, Sambaspur, IIT Kolkata and VESIT among them. Moreover, the love for the competition ensured participation from our visiting alumni contingent. The chief guests for the inauguration ceremony included the top management of Odisha FC- Mr. Ashim Shah (CEO), Mr. Rohan Sharma (Owner), Mr. Josep Gombau (Head Coach) alongside Mr. Deep Mukherjee (CEO, CI National Committee Sports). A case study competition around the theme of Sports Management and a Sports Quiz in collaboration with the Quizzing committee was also conducted in Atlas'19. Classroom'19, the annual corporate sports tournament saw Xavier Institute of Management, Bhubaneswar compete along with corporate teams of TCS, Infosys, and Zomato across various sports.

academic curriculum on foreign shores. It strives to provide global exposure to the management students by encouraging cross-functional, cross-situational and cross-cultural learning through student exchange programs.

IRC provides and facilitates interactions with universities across borders through its Student Exchange Programme.

We have collaborations with the following universities:

- SGH Warsaw School of Economics, Poland
- IESSE, France (Summer)
- QS Barcelona, Spain
- Antwerp Summer University, Belgium
- Capital University, China
- FUCPR, Brazil

IRC conducts various events spread across the year to keep the students involved and to enhance their skills. The major event being the Student Exchange Program which intends to introduce the students to an astounding array of cultural and community perspectives along with enriching learning opportunities across the globe. It also organises an international-themed quiz, Pangea, in which students are encouraged to think and answer the quiz-like questions about the world. IRC conducts Language Classes for the students to provide them with the knowledge of popular foreign languages in the world. Owing to the pandemic, a webinar series, Xoutre-Mer, was launched where some of the prominent global personalities were brought in a virtual platform to address the students on emerging global business topics.

Social Responsibility Cell (SRC)

At the Social Responsibility Cell, Xavier Institute of Management, Bhubaneswar, our philosophy is to give back to society by making small but considerable differences in the lives of individuals at the bottom of the pyramid. With our valuable contacts with NGOs and organizations such as Lions Club, Rotary Club, Robinhood Army, BloodConnect, and others, we participate in various philanthropic activities throughout the year. Vridhi and Vaktira, our year's most notable events, are case study competitions that encourage young thinkers to develop answers to social concerns. Every year, we also host X-Enable, a recreational event for differently-abled children. Amidst the unprecedented scenario

owing to COVID-19, we adapted our flagship event X-Enable by hosting it across three locations: Bhubaneswar, Kolkata, and Delhi. In the past, we had the privilege of assisting The Robinhood Army with Mission 5, their extraordinary initiative to feed five million people. We also partnered with Greenbonds on their 'Share' initiative to create kits for cancer survivors utilizing small hair donations.

We believe what is better than giving back to the hands that feed us. With SRC's Young Adults' Education Initiative, we hold night classes for our mess support staff. We teach our mess support staff varied subjects such as mathematics, home science,

computers, and various languages. We also host a handicraft stall each year to raise money. SRC aims to spread awareness around issues that are stigmatized through our social media pages and events. We have held social media campaigns to spread awareness around issues such as mental health awareness. We at SRC put our best foot forward to make a difference in society by organizing various social drives such as blood donation camps, orphanage and old-age home visits among various other activities. As a committee, we find immense pleasure in bringing meaningful change to society. It is our duty to promote sustainable initiatives to drive social change within our Institute and our society.

Cultural Committee

"If we are to preserve culture, we must continue to create it"

-Ralph Waldo Emerson

For Xavier Institute of Management, Bhubaneswar, an institute that is known for its rich cultural calendar, Cultural Committee is a cardinal committee and is responsible for a big basket of events. It is a committee that allows a student to loosen up and relax after a long tiring day, be it through a karaoke session with a bunch of friends or a salsa dance

workshop. Students don't work in this committee; they discover their passion.

The academic year starts with a fabulous ice-breaker talent hunt, X-Talent for identifying the talents of the new batch. In the middle of the rigorous academic schedule, the committee provides a respite to the students with events like Comedy Nights (Stand up sessions), Karaoke Night, Movie Screenings, and Theatre and Dance Workshops round the year. Xpressions, the annual cultural

flagship fest of Xavier Institute of Management, is driven primarily by X-Stage which conducts all the mega-events like Carnival de Vogue (Fashion Show), Decibelz (Har of Bands), Thinkin' (Dance), Goonj (Song), Aaghar (Street Play) and so on.

The cultural Committee also looks to uphold the cultural spirit and bring out unity in diversity within the students of institute by conducting various regional and cultural festival celebrations, encouraging the students to live and experience vibrant campus life.

X-SEED

Entrepreneurship is 'an individual's ability to turn ideas into Action'. X-SEED - The Entrepreneurship Cell of Xavier Institute of Management, Bhubaneswar, in the era of Start-ups and entrepreneurs, works to inculcate the spirit of entrepreneurship and innovation among budding business executives. X-SEED is the platform at XIMB where students discover the entrepreneurs in themselves and all we, the team at X-SEED aim to do is to give them the right push along with the required resources at their disposal.

X-SEED organizes its flagship event, XAVION, a 3-day global entrepreneurship summit in collaboration with organizations like Start-Up Odisha and TIE, Bhubaneswar with a magnum opus collection of workshops, internship fairs and live pitching competitions. XAVION'20 was graced with several eminent personalities of the start-up world like Mr. Amit Nanda, Founder and Director, Statista, Sustainable Development, Odisha.

Pvt. Ltd., Ms. Nikita Balar Singh, Co-founder and COO, Newer Power and Mr. Chandrasekhar Mishra, Managing Director, Cruz Power Private Ltd. X-SEED commences the year with Kickstart, an annual business concave aimed at inspiring the future entrepreneurs to shape their ideas into successful start-ups and make the students aware of the opportunities as well as the challenges of pursuing entrepreneurship. This year, we conducted a live project drive called Xhsapans which saw participation from 15+ notable start-ups who offered students at Xavier Institute of Management, Bhubaneswar with Live Project opportunities across various domains like Marketing, Sales, Finance, Operations, etc. We at X-SEED also partner with start-ups who have tasted the juice of entrepreneurship to provide our students with rich experiences ranging from start-up ideas to fund generation procedures, some of such collaborations feature partners

like Zerodha, FabDishin & Hotel Fuld. With the aim of encouraging students to collaborate and come up with new ideas, X-SEED conducts IIM Karal, an exuberant intra-college competition and Ad Veloren, a business competition for students across the country to help them understand the technical essentials of the business world. i-Pitch, a national level pitching competition is conducted by X-SEED to enable potential entrepreneurs to pitch their ideas to investors and venture capitalists. With plethora of events throughout the year championed by social media initiatives and our monthly newsletter, we strive to instil a never-dying confidence in our young entrepreneurs. The committee is also closely working towards reforming the incubation centre, which would help the college build a close-knit community of entrepreneurs with all of its members committed towards one aim of inculcating the spirit of entrepreneurship in XIMB.

SpeakUp

"The art of communication is the language of leadership"

- James Humes

Channeling the students' creative acumen and oratory prowess constructively while helping them hone their vocal expression is what SpeakUp! works diligently in all its endeavors. SpeakUp! is a student-run committee for the fervent orators who want to nurture their talent and chisel their communication skills. The committee provides a collaborative, encouraging, and supportive environment. The atmosphere it creates in the sessions is one where mistakes add to the fun but not to the embarrassment, where the discussions are intense yet collaborative.

The committee conducts a bouquet of events every year to sharpen the eloquence of speech and rhetoric, alleviate the fear of public speaking, and boost the students' confidence.

SpeakUp!'s flagship initiative, *Sailing My Internship (SMI)*, serves as a medium of mentorship for first-year students with respect to their internship preparations and facilitates breaking the ice between both the batches in a "formally informal" manner. Likewise, *Sailing My Finals (SMF)* aids the second-year students while preparing for their final placements.

A versatile range of activities is undertaken every year, from *Zubaan* - an event that calls upon all creative minds to showcase their talent in poetry, oration, and comedy to *XIMB MUN* - a protocol and procedure-specific event. This spectrum also consists of *Xansed* - a simulated parliamentary debate, *Vaani* - an offline extempore challenge, *Tall Tales* - where one gets to explore the spontaneous storyteller inside them and *Xclamational* - a multiple-round, inter-section event that encourages the students' hidden debaters to prove their mettle by debating on topics from a wide range of genres and taking their section to glory. In these trying times too, SpeakUp! has come up with an online event, *Off the Cuff* - where one gets creative by delivering an extempore speech on a topic available from a wide range of genres. Lastly, SpeakUp! strives to better the current events and initiatives as well as constantly plans to add new events to its calendar, thus, staying true to its perennial endeavor to empower students with the invaluable 'Gift of the Gab'.

LitSoc - The Literature Society

The Literary Society of Xavier Institute of Management, Bhubaneswar is easily like that family member that values, upholds the non-materialistic aspect of B-school life. We all are creative in different ways, and one of the best places to vent this creativity is through the Literary Society of Xavier Institute of Management, Bhubaneswar. It's not just about poetry and literary pieces; LitSoc society comprises of a bunch of believers who try to touch lives and bring people together through this beautiful platform.

Humans of Xavier Institute of Management, Bhubaneswar is the brainchild of LitSoc that we are extremely proud of. It allows people to shed their inhibitions, be themselves, be raw and narrate their side of the story. After all, stories are the best way to touch hearts and lives.

Last year, the nation went into a lockdown, while there were challenges, we looked at possibilities. LitSoc went a step ahead and launched a new series of events called 'Paigan' and 'Guftagoo'. Unlike the leadership talks and conferences that the B-school is known for, Guftagoo unravels the life of people who inspire the youth with simple yet impactful acts of kindness, courage, confidence, and creativity. For those who have something to say, "Paigan" is your message to the world, and we work hard to get your message across through our committee. We often collaborate with other committees to make lives more fun and interesting in the MBA journey.

LitSoc is one platform where one gets to hone a number of leadership skills, including the ability to network. The more you network, talk, express, the

more one learns in here and LitSoc puts its best heart and soul to bring out the best in YOU.

X-Lens

"Life is like a camera. Just focus on what's important and capture the good times, develop from the negatives and if things don't work out, just take another shot."

X-Lens, The Photography Committee of XIMB, appeals to all the photography enthusiasts. Our aim at Xavier Institute of Management is to not let the love for lenses wither away as we start our journey for the business world. Life at XIMB is very short, but what stays with us for the longest is the memories, and X-Lens does its best to capture those moments. It stays with them from capturing their days at Freshers' Parichay till bidding them adieu at XimFare. And in between the extremes, it captures the innumerable moments at innumerable corners of the campus full of life and celebrations of every festivity on campus. Not just the chaos but also the silence of dawn, the flowery and the empty streets are captured for life. Events like Pixelathon, Chromatique, and Lensation encourages all the budding photographers to keep their passion and spirits high. Impressions - The art and photography exhibition, is a platform to bond and showcase the photographs and artwork of the students, faculties and all artists present on the campus. X-Lens also captures men and women in action on the field by capturing all the sports events. In the two years of this roller coaster ride, while we tend to get lost amidst the innumerable assignments, exams, quizzes, business cases and presentations, X-Lens helps one never to forget their passion for photography, rather build it. We capture the culture, friendship, families and relationships and pass on the legacy to be cherished forever. We are not just there with the students in extra-curricular but also in co-curricular like capturing sessions, conclaves, and achievements of students in collaboration with other committees. We capture the most curious moments of the roller coaster ride and create memories for others to cherish for years to come.

In short - "They live the moment, and we endeavour to help them relive it."

X-QUIZZITE

XQuizzite is the knowledge and quizzing committee of Xavier Institute of Management, Bhubaneswar. The committee aims to foster & sustain the quizzing culture in the college. It also seeks to develop a healthy competitive spirit among students by giving them a plethora of opportunities in college-level and corporate quiz competitions.

XQuizzite conducts several general and special-themed quizzes for the student fraternity throughout the year. XQuizzite organizes Inquizzitive, the annual national-level open quiz competition and the flagship quiz event of Xpressions. Prominent quizmasters such as Major Chandrabansu Nair, Kaushik Saha, to name a few, have graced the event with their intriguing questions backed by fabulous trivia, which made the audience stunned with the quality quizzing content exhibited by the participants. With the year with the country's best minds competing against each other for bragging rights, Inquizzitive has always been a popular quiz event among the quizzing fraternity across the country.

Despite the challenges and limitations presented by the on-going Covid-19 pandemic, XQuizzite has been ensuring that the spirit of quizzing does not get dampened by adapting to virtual quizzing by utilizing various digital platforms for a seamless

quizzing experience for the participants from their respective homes while everyone gets an opportunity to learn a thing or two. From 2020 onwards, XQuizzite has been conducting Quizzzath, Xavier Institute of Management general quiz event for Online Quizzing Festival conducted by Quiz2Compete every year, and it has been received well by the participants. XQuizzite is quite active on social media, with the team ensuring a regular dose of quizzing for the audience with various questions from different domains and trivia videos on their social media handles.

Over the years, XQuizzite has hosted significant events at Xavier Institute of Management, such as, Quizzicus India, an open India-themed quiz in collaboration with Odisha Quiz Association, and Tata Crucible, one of India's popular business quiz competitions. Additionally, students have participated and performed well in quizzes like Tata Crucible and SBI Young Quiz, to name a few.

With the motto of "Cogito, Ergo Sum", XQuizzite has always looked forward to making quizzing a fun and light-hearted hobby while making sure that the curious minds always get quality trivia at the end of the day.

EXEMPLAR - THE COMPETITIONS COMMITTEE

"Excellence is not an exception but a prevailing attitude."

Exemplar, the competitions committee of Xavier Institute of Management was born out of the quest to "Target: Ready". The spirit of healthy competition leading to stellar achievements in the national pursuit is what drives this committee. The committee is dedicated to providing the students the opportunity to test their mettle in several Corporate, National and International case study competitions and other faculty competitions spanning across various domains namely marketing, finance, operations, consultancy among others. This committee conducts and facilitates guidance, mentorship and training sessions required for acing these competitions. The main inspiration behind the proceedings of this committee is to hone skills, exercise the theoretical knowledge in real-time implementations, present the solutions to top corporate business leaders, thereby gaining a holistic perspective

on the ongoing industry trends. Through these participations and achievements, we aim at strengthening the reputation of the college alongside bringing laurels.

Apart from the regular competitions launched for the Xavier Institute of Management campus, in the past year we have witnessed a plethora of new competitions being launched for the students, to name a few Bond With Politics, Future Generali Get Set Go, Matt Price selling offers.

Year 2020-21 was an arduous year for Team Exemplar to have performed exceptionally well in various competitions and organizing multiple training sessions and other activities to drive student engagement. We started the year by conducting practice GD sessions, presentation tips and funny case studies for the first years to give them a flavour of things that shall follow. Thereafter we conducted our first 3 day convens, *Exemplar*, a one of its kind leadership series that was aimed at unravelling the world

of case competitions for the first years and learn from the experience of industry stalwarts. Our flagship inter-college case competition "Set the Score" for first-years witnessed massive participation. We also initiated multiple seminars and a hobby group membership program to groom students on the personal front for competitions.

We launched a host of corporate competitions and the students of XIIMB made their mark in all of them. We were the Runners Up Asia-Pacific region for Optum Stratathon, National Winners for Tata Steel-a-Thon, Godrej Loud, Meero Campus Challenge, National Finalist for HSBC IB League, Colgate Transcend 2.0, CEP Gamathon, Google Case Challenge and many more.

Towards the end of the season, we organized the "Achievers Meet," wherein the past winners of various competitions engaged with the current students. Exemplar aims to contribute more towards the collegial students.

CAMPUS ENGAGEMENT AT XAVIER INSTITUTE OF MANAGEMENT

The Events at XIMB and XIM University represent a gamut of diverse activities in which we welcome corporate partnership and engagement. These Student-Industry engagements are welcomed by students and industry alike due to the enhanced access to each other and knowledge shared as a result of these interactions.

Leadership Talk

Leadership Talks are conducted by senior management executives about their experiences and their organizations. These highly anticipated events provide an opportunity for the leaders of tomorrow to meet the leaders of today. Students receive valuable insights into the challenges and intricacies of managing large organizations first hand.

Immersion Courses and Workshops

Immersion courses are taken for different specializations by experts in the respective areas from the industry. The course has for 90 minute sessions. Workshops are similar in nature to the Immersion courses, but of a shorter duration, and of a more informal nature. These enable students to learn from industry practitioners and keep themselves updated with the latest industry tools and frameworks.

Panel Discussions

XIM University welcomes Guest speakers for Panel discussions held by the various Interest committees. These events are attended by a diverse audience from nearby institutes - both faculty and students. These events are attended by a diverse audience from nearby institutes-both faculty and students from XIM University. These provide an opportunity to discuss issues with other distinguished speakers on industry themes. These are hosted by the respective Interest committees on specified dates.

Other Events

XIM University also represents access to a sizable chunk of management talent in the eastern region. Apart from XIM University campus events, assistance is provided for facilitating company campus engagement programs.

BUSINESS CONCLAVE

Business Conclave is a gathering of great minds of the industry with XIMB students to enhance engagement with the industry and build perspective about burning topics in the management arena. This congregation takes place in August. It includes panel discussions on topics identified by the various interest committees spanning across functional domains -

Stratonomics 2020

As Lee Bolson rightly said, "A vision without a strategy remains an illusion."

Ever wondered what is common between Billy Beane (Moneyball), Kevin Platter (Alps), and Kabir Khan (Chak de India)? That's right, they all used strategy to achieve their goals. CONSTRAAT, the Consulting and Strategy Consortium of XIM aims to turn great minds into such strategists who are capable of using their brainpower and right frameworks to come up with the best outcomes. Through a series of our events, we make sure that everyone (including an MBA) gets a chance to hone their strategy and consulting skills.

CONSTRAAT is instrumental in helping students enhance their knowledge in the domains of strategy and consulting. CONSTRAAT looks to bridge the gap between academic and industry that is often faced by students today. We look to deliver a holistic view of the business landscape and get practical insight on the processes followed by organisations today.

Taking the legacy of coaching the torch with jargons related to Strategy Team CONSTRAAT, the Consulting and Strategy Consortium of Xavier Institute of Management, organised the most awaited Annual Business Conclave, STRATONOMICS'20 on 8th November 2020. The topic for discussion was "Revolutionary vs. Evolutionary Strategies: How to Tackle Business Uncertainties" by Anir K. Nayak, Professor, Xavier Institute of Management as the moderator took up the proceedings by exploring the various facets of the topic in the presence of our esteemed guest speaker, Mr. Perry Goes, Chief Strategy Officer, United Breweries, Mr. Dewoop Dhar, Co-founder, and MD Primus Partners India, Mr. Akshat Mohindra, Global Account Manager, CISCO and Mr. Rohan Prasher, Group Brand Manager, Asian Paints. The conclave marked the conclusion and declaration of results for Midnight-Stratonomics: A 4-day Online Quiz Competition. The students gained an enriching experience with learnings from industry stalwarts briefing them about uncertainties becoming the bread and butter for Managers. The discussion was channelised to help MBA students gather the reality and requirement of corporates in the coming decade.

Ashwamedh 2020

X-OPS, the Operations Committee of Xavier's Institute of Management, Bhubaneswar, is tasked with the responsibility of guiding and helping the upcoming leaders of tomorrow in their pursuit of innovation and excellence in the field of Operation and Decision Sciences. Keeping in line with the objective of upholding the academic rigor and supplementing classroom learnings, the Operations Committee proudly presented the flagship event of the year, Ashwamedh 2020. The event has been known to be among one of the most coveted conclaves of the institute, which helps provide a unique platform that brings together some of the most eminent personalities from a diverse range of backgrounds, including academic and corporate, intending to stimulate discussion on contemporary issues related to Operations Management and related areas.

The theme of the discussion for Ashwamedh 2020 was decided on "Emerging Technologies and the Future of Supply Chain," which gathered a great team. The institute was honored to have a decorated panel that saw some of the most sought-after leaders from the industry in the form of Mr. Prayansh Kumar, Chief Operating Officer, Iconic Fashion, India, Mr. Umesh Keshi, Associate Director at Perfetti Van Melle, Mr. Anish Ramesh, Chief Operating Officer at Utkar Robotics, and Mr. Vinod Kumar, General Manager of Distribution at CEAT Tyres Limited. To add to the specially invited panel of guest speakers, we had one of the most esteemed Professors of our Institute, Dr. Arun Kumar Paul, to moderate the session and enhance the cohesiveness of the discussion.

The event was memorable for the committee for more reasons than the learnings achieved through the panel discussion, as it marked the release of the most-awaited Annual Operations Magazine, The Ops Magnet 2020. The event concluded with the revelation of the winners of the National Whitepaper Contest 2020, which saw participation from multiple colleges across the country. The theme for this year was "Supply Chain Challenges by Covid-19 Vaccine Delivery in India" and the winners for the year were Ananya Ramkrishna Gatre & Hina Srivastava Saha (IIM), Rishika Agrawal & Jyotishan Debary (IIS), Dulchita Agarwal & Riya Sankari (LSR) and Saizal Chaudhari & Debopriya Dutta (XMS).

Envision 2020

XSYS- The Systems Association of Xavier Institute of Management had the privilege to host Envision 20, the Annual Systems Business Conclave, where industry veterans graced the session with their insights on the theme "Role of AI in changing business amidst COVID." Our esteemed panelists included:

Mr. Ashwini Rath

Director and CEO, Satof Systems

Mr. Ravi Chandran

Head Technical Marketing, COCO

Mr. Soumya Banerjee

Research Lead of Marketing Transformation, PCS

Mr. Soumya Mishra

Co-founder and Chief Operating Officer, Mindfire Solutions

The speakers provided their perception of the current trends in the field, its prospects, and how enterprises worldwide are leveraging AI capabilities and transforming businesses around the world as we know it. The discussion started with the history of technology, communication, and AI, the role of AI as a business continuity enabler, and the part of AI in value chain reimagining. The discussion later panned out into the realm of automation and how AI automation will take over the future of many a domain, including and not limited to business, finance, and health care. The expert panel identified various disciplines in which AI can lead and change the business norms and different use cases of AI in detail. The event culminated with the launch of the Annual Magazine XITE which captured and documented the industry trends of AI in the view of the domain experts. The articles written by the students on the topic were featured to showcase the industry preparedness of the batch.

Finomics 2020

Finomics is an annual congregation of the students of Xavier Institute of Management to witness and be a part of discourse, discussion, and debate of the highest quality. The conclave is headed by stalwarts and torchbearers of the Finance domain who hail from myriad backgrounds, industries, and academic pursuits. Every year, Finomics acts as the source of awareness and also stokes curiosity of the student fraternity on contemporary developments in the dynamic world of Finance.

FINOMICS 2020, the flagship business conclave of X-FIN - the Finance association of Xavier Institute of Management, was conducted on 8th November, 2020 at Xavier Institute of Management, Bhubaneswar. The topic for discussion was "Liquidity: Plagues for An Ailing Economy".

Mercatique 2020

Mercatique is the Annual Marketing Business Conclave conducted by MAXIM. It started its journey in 2008, and brings together the best minds of the industry in the Marketing Domain on a single interactive platform. The event enables students to interact with industry experts, broaden their knowledge base through useful insights and discuss and understand the recent trends in the world of Marketing. The event's primary purpose is to help the students gain a new perspective on existing and emerging market situations.

The business conclave serves as a platform for interaction between the students and the best minds from the industry.

MERCATIQUE 2020, the Annual Marketing Business Conclave of MAXIM, for the first time was conducted virtually. The event was attended by approximately 350 students. The event hosted industry stalwarts like Mr. Amit Sethiya, CHD at Syska group, Mr. Gaurav Phull, Head of Marketing at CEAT, Mr. Sai Narayan, CHD at Paribazaar.com (Policy Bazaar group) and Mr. Mahan Manon, VP and Head of Marketing and Digital at Max Healthcare.

They shared valuable insights with the students on the theme "Essence of Marketing Innovation in the new

The discussion was started off by Dr. Soumya Karo Ghosh, Group Chief Economic Advisor at SBI. An Authority in data-based economic research, his talk on liquidity scenario, the stimulus package, and its trade-off with the inflation provided relevant insights to the students. He also stressed the need to innovate with macroeconomic theories and emphasized that a crisis is an opportunity for behavioural changes and innovation. He highlighted how the manufacturing demand is always part up, but the demand in service sector is not.

The next speaker was Mr. Rohit Anand, Chief Business Officer & Founding Team Member at Credable. Mr. Rohit highlighted how essential it is for the firms to walk the tightrope of assets and liabilities. His talk offered valuable insights on a firm's stability and sustainability factors. He highlighted how the risk scenario is snaping up with the pandemic. He stressed on working capital, demand loans and to look beyond plain vanilla bonds.

The third speaker was Mr. Ajay Bhatia, Vice President and Head of Credit & Compliance at Cholamandlam Investment & Finance Co. Ltd. His discussion elaborated on the importance of liquidity in our economy and how the invisible foe, COVID-19, has distorted the market forces of demand and supply. He stressed upon the cascading effect of the COVID and how it has severely impacted liquidity, demand & supply and growth.

Following which, an intriguing Q&A session took place which led to students gaining valuable insights on the topic of discussion. The session was followed by the launch of Finashtra, the annual knowledge compendium of X-FIN. The event concluded with a vote of thanks from the Coordinator of X-FIN.

decade." The topic also revolved around the next decade of innovation, with the defining themes of Marketing 5.0, Sustainability, Artificial Intelligence, the Internet of things and Brand solidarity in the times of crisis. The students actively participated in the event and asked a lot of valuable questions which impressed the speakers as well. With the speaker's exemplary experience and outstanding contributions to the industry, the students got a great learning opportunity to gain industry experience, which eventually helped them kickstart their careers in future.

CONEXUS 2.0 LEADERSHIP TALK SERIES

Conexus is the annual flagship Leadership Talk Series of the Career Advisory Services (Placement Committee) held for a period of 8 weeks - 10 weeks. Industry Specialists are invited to share their experiences and insights on relevant business topics with the students. The students gain a competitive edge in both national and international forums with the help of the rich and vivid experience of the leaders in the corporate realm. Conexus 2.0, the second season of the series, was held for a period of 10 weeks and witnessed an engagement with 50+ CEOs across numerous domains and industries. The conference was organized for students who were in the transition phase from their first year to second year, undergoing their Summer Internships with corporates. This event gave them exposure to fresh and diverse perspectives, thereby keeping them industry-relevant.

XUBERANCE 2022

XUBERANCE 2021

Pre Placement Talks (PPTs)

PPTs provide a platform to facilitate interaction between students and companies, so that both are able to find the best match according to their aspirations and requirements. For effective communication, the latest technical equipment such as audio visual facilities, LCD projector, overhead projector (OHP), TV/VCR and other special equipments can be made available on campus on request. The campus also has video conferencing facility. The dates for the PPTs can be obtained from the Placement Office. We value any company taking some time out to getting to know our students better, and giving an opportunity for our students to do the same.

Curriculum Vitae

The institute follows a standard format for all the students applying to various companies. A company can request the CVs in the Institute's format or any other specific format, in hard or softcopies as desired.

Lateral and Fresher Recruitment

The institute does not have separate lateral and fresher recruitment processes. Hence, both the processes commence simultaneously and run during the placement week of the institute. The students rank the companies based on their prior knowledge and the information gained through company's PPTs. Based on the rankings, the job description and the compensation being offered, the participating companies are allocated the time slots during which they can initiate the recruitment process.

Pre Placement Offers (PPOs)

A pre-placement offer or PPO, post the summer internship, is a much cherished job offer before final placements. An exposure of 2 weeks gives both the organization and the student an opportunity to gauge each other's compatibility. The firms can communicate to the institute their decision to offer the PPOs before the Placement Week commences. In the event that the company does not have any internal rules governing this process, the student's decision however, will be communicated to the company either after the Placement Week is over or at its assigned time slot during the Placement Week.

Job Offers

A Job Offer is considered to be valid only if the Placement Office is in receipt of the written communication of the same. Any form of verbal or telephonic communication will not be considered as job offers. The final offers for the respective candidate will be announced only at the designated day/time slots. Delay or failing to do so may result in the candidate being placed in any other company. Appointment letters for the selected candidate should be sent (in duplicate) to the Placement Office within 20 days of the job offer made on the campus. Candidate acknowledges the job offer by the acceptance signature, which shall be informed to the concerned company immediately.

Summary: Influidity
Implementation of ERP

Unnati Tripathi

Bachelor of Technology (Mechanical Engineering)
Galgotias University, Greater Noida, Galgotias University

Work Experience: 42 months
Cognizant Technology Solutions India Pvt. Ltd., Programmer Analyst

Summary: Group B
Conducted primary and secondary research to understand the market prospects of the product. Conducted out-of-the-box and competitive analysis to develop strategies for social media branding, branding and product launch on e-commerce platforms.

Dhruv Hrishikesh Nishu

Bachelor of Engineering (Instrumentation and Control Engineering)
Vishwakarma Government Engineering College, Ahmedabad, Gujarat Technological University

Work Experience: 44 months
Tata Consultancy Services, System Engineer

Summary: UNAC Learning Pvt. Ltd.
Research in Indian E-commerce Industry And Recommendation Of Growth For UNAC

Saharshi Satapathy

Bachelor of Technology (Instrumentation and Electronics Engineering)
College of Engineering and Technology, Bhubaneswar, Biju Patnaik University of Technology

Work Experience: 44 months
Tata Consultancy Services, System Engineer

Summary: Tiger Analytics
Pre sales Case studies across various domains

Arshwan Patil

Bachelor of Technology (Instrumentation & Electronics Engineering)
College of Engineering and Technology, Bhubaneswar, Biju Patnaik University of Technology

Work Experience: 43 months
Tata Consultancy Services, System Engineer

Summary: Steel Authority of India Ltd.
A study on Working Capital Management in SAIL-ISP

Priyank Popran Solanki

Bachelor of Engineering (Electronics and Telecommunication Engineering)
Shree L.R.Tiwari College of Engineering, Hira-Bhaindar, University of Mumbai

Work Experience: 43 months
Qualitest, Test Engineer

Summary: Apollo Innovation Pvt. Ltd.
Comput to Corporate Sale & CRM Pilot Run on Apollo LMS

Angana Saha

Bachelor of Technology (Information Technology Engineering)
MOU Institute of Engineering, Laxmi, Maulana Abul Kalam Azad University of Technology

Work Experience: 43 months
Tata Consultancy Services, Systems Engineer

Summary: Rainy Insights Ltd.
Understanding the process of Quantitative Market Research

Bibhanshu Kumar Pratihary

Bachelor of Technology (Electronics and Communication Engineering (ECE))
National Institute of Science and Technology, Barampuri, Biju Patnaik University of Technology

Work Experience: 43 months
InfraSys Limited, Technology Analyst

Summary: Tata Steel Mining Ltd.
Fibre Optics Manufacturing and Cost Optimization

Somali Mitra

Bachelor of Engineering (Electrical and Electronics Engineering)
University Viswambarya College of Engineering, Bangalore, Bangalore University

Work Experience: 43 months
Ertasun, Engineer - Network Engineering

Summary: TATA Steel Ltd.
Cost to serve and feedback optimization

Abhaya Mishra

Bachelor of Arts (Social Science)
Tata Institute of Social Sciences, Talajpur, Tata Institute of Social Sciences

Work Experience: 40 months
National Rankin Mission (NRM), Government of Odisha, Young Professional

Summary: Apollo Innovation Pvt. Ltd.
Campus to Corporate Sale & CRM Pilot Run on Apollo LMS

Ashish Pratihary

Bachelor of Technology (Production Engineering)
Veer Surendra Sai University of Technology, Burla, Veer Surendra Sai University of Technology

Work Experience: 42 months
Mindtree Solutions, Senior Test Software Engineer

Summary: Inquisto
Designing Supply Chain Control Tower platform

Ashwani Mishra

Bachelor of Technology (Applied Electronics and Instrumentation Engineering)
Sriport Institute of Technology, Bhubaneswar, Biju Patnaik University of Technology

Work Experience: 43 months
Tata Consultancy Services, System Engineer

Summary: Trinet Consulting Pvt. Ltd.
An extensive market research on the Performance Management system including competitive landscape along with deriving business strategy for entry and expansion of the HRMS product in an region

Rishabh Pradhan

Bachelor of Technology (Electronics and Telecommunication Engineering)
International Institute of Information Technology, Bhubaneswar, International Institute of Information Technology

Work Experience: 40 months
Natura, Consultant

Summary: Tiger Analytics
Trade Promotion Optimization

Srinivasan Parthasarathy

Bachelor of Technology (Computer Science Engineering)
Kalings Institute of Industrial Technology, Bhubaneswar, Kalings Institute Of Industrial Technology

Work Experience: 40 months
Deloitte India (Office of the US), Advisory Analyst

Summary: Tata Steel Ltd.
Exploiting Challenges related to Water management and opportunities of TII

Niharani Das Patra

Bachelor of Technology (Electrical Engineering)
Kajaram Government Engineering College, Kalyani, Maulana Abul Kalam Azad University of Technology

Work Experience: 42 months
Tata Consultancy Services, Systems Engineer

Summary: DeTechno Products and Services Pvt Ltd.
Account Based Marketing and Pre-sales work on 360° Workflow management using ServiceNow digital transformation enable™ in progressive client organizations in a B2B environment and lead cycle management with focus on specific planets

Sagar Venkatesh Shah

Bachelor of Engineering (Mechanical Engineering)
Sardar Vallabhbhai Patel Institute of Technology, Vadod, Gujarat Technological University

Work Experience: 42 months
Steel Strong Vavda (I) Pvt Ltd, Engineer-Planting

Summary: Clayworks Spaces Technologies Pvt Ltd
Market Research on Office Space Utilization Challenges and Business Development

Ashish Dash

Bachelor of Technology (Electronics and Instrumentation Engineering)
College of Engineering and Technology, Bhubaneswar, Biju Patnaik University of Technology

Work Experience: 39 months
Acoormus Solutions Pvt Ltd, Application Development Analyst

Summary: TATA CONSUMER PRODUCTS Ltd.
Eco Tea Premium Packaging

Amitabh Babbar

Bachelor of Engineering (Mechanical Engineering)
Girijananda Chowdhury Institute of Management and Technology, Guwahati, Gauhati University

Work Experience: 39 months
Amazon.com, Senior Investigator/Scout

Summary: Tata Steel Ltd.
Exploiting opportunities in Energy efficiency space

Bachelor of Technology (Computer Science Engineering)
L.B. Institute of Engineering and Technology, Hyderabad, Jawahar Lal Nehru Technological University Hyderabad

Work Experience: 30 months
Anaden Development Centre (India) Private Limited, Process Specialist - L, Relay Operations Centre

Summary: Spark Academy
Strategy and Planning for new coaching programs

Dr. Prakash Kumar

Bachelor of Technology (Electronic and Communication Engineering)
K.J Somaiya Engineering College, Ghatsiaod, Dr. A.P. Abdul Kalam Technical University

Work Experience: 20 months
Fidelity Billing Services Pvt. Ltd., Underwriting Analyst

Summary: Supr Daily
Assisting in the proposed expansion of the warehouse, procurement process, and execution of other related works

Siddhant Saini

Bachelor of Technology (Computer Science with Specialization in Oil and Gas Informatics)
College of Engineering Studies, Dehradun, University of Petroleum & Energy Studies

Work Experience: 12 months
ONGC India Private Limited, Engineer-IT Services

Summary: Hingray
Building Hubspot Solar Pipeline

Sneha Mishra

Bachelor of Engineering (Telecommunications Engineering)
Bangalore Institute of Technology-Bangalore, Vignansaraya Technological University

Work Experience: 12 months
Adaptive Solutions Private Limited, Bangalore, Application Development Analyst

Summary: Devasita Consulting India Pvt. Ltd.
Analysis of digital Supply Chain using Blockchain

Rekha Mehta

Bachelor of Arts (Psychology)
University of British Columbia, University of British Columbia

Work Experience: 20 months
University of British Columbia - Development and Alumni Engagement Development Coordinator

Summary: Boston Scientific
Market Expansion in Tier 2 & Tier 3 Cities

Ashwathia Mohapatra

Bachelor of Technology (Electrical Engineering)
National Institute of Technology, Raouria

Work Experience: 30 months
CL Educare Pvt. Sector Executive-Academic

Summary: Infopays Limited
Creating digital form using process mining

Smriti Mishra
 Bachelor of Technology (Instrumentation and Electronics)
 College of Engineering and Technology, Bhubaneswar, Biju Patnaik University of Technology
Work Experience: 20 months
 Accenture Solutions Private Limited, Assistant Development Analyst
Summary: Tata Steel Long Products Ltd.
 Enhancing the rake capacity at TSPs plants using from 110 rake/month to 120 rake/month with the existing infrastructure

Vibhav Kapoor
 Bachelor of Technology (Computer Science & Engineering)
 Shaheed Bhagat Singh State Technical Campus, Patna, Punjab Technical University, Jalandhar
Work Experience: 10 months
 Maya Bloch, Operations Manager
Summary: Ultratech Cement Ltd.
 Designing Sales & Marketing Strategies for setting up Ultratech's augmented (& Building) Products

Chaiti Banerjee
 Bachelor of Technology (Electrical Engineering)

BHUBANESWAR

Popularly known as the "Temple City of India", Bhubaneswar is considered the centre for Hindu Pilgrimage. The capital of Odisha is a well planned city famous for the unique shrine temple called Lingaraj. It is the house to one of the largest Buddha temple and makes an ideal tourist destination that's well connected by air, rail and road to the rest of India. The literal meaning of the word Bhubaneswar is God's World that witnessed the evolution of temple architecture. The new Bhubaneswar with its modern buildings and extensive infrastructure perfectly complements its historic surroundings. With facilities to cater to every type of visitor, Bhubaneswar makes an ideal tourist destination. The city is one of the fastest developing cities in India and also has played its part in the development of Odisha, which is realizing the potential of its abundant natural resources and skilled labour. It is one of the major education hubs of eastern India, the fine blend of 'the old school' and the 'contemporary' with its vibrant economy provides the perfect setting for Xavier University.

XIM University

Biju Patnaik International Airport (Bhubaneswar Airport) has direct flight for all the major cities in India. It is 10.2 Km away from the XIMB campus and 25.2 Km away from the Univ. Campus.

Bhubaneswar Railway Station is 8.6 Km away from XIMB campus and 17.0 Km from University campus. It has train for all the major destinations in India.

We would be glad to make arrangements for your stay at several three to five star hotels in Bhubaneswar.

Hotel	Contact No. (9474)	Address	Distance From Airport	Distance From XIMB Campus
