EMPOWERMENT

Empowerment refers to increasing the educational, social and economic growth of an individual. Empowerment is enabling students to pursue multiple and complementary activities and social goals which positively affects achievement.

To enjoy the benefits of a bright career, the only instrument to its perfect learning is a MBA degree. In today's business environment, the most valuable and sought after degree is that of MBA. It is the best option for a person who wants to pursue a leadership and managerial role. This degree is recognized worldwide. It teaches you the shades about business techniques, management techniques, leadership skills and every aspect about management. It involves rigorous training, assignments, presentations, reports, all of which give you the necessary abilities to handle real-life business situations.

The core courses in the IBMR Group of Institutions are designed to introduce students to the various areas of business such as accounting, marketing, human resources, operations management, etc. Students in the MBA programme have the option to select an area of concentration and focus approximately one-third of their study time in this area.

We, at IBMR Group of Institutions, enrich syllabus with value added programmes, fulfilling the need of the industry and catering to today's competitive environment.

IBMR Group of Institutions has the association with many Government bodies to develop Entrepreneurship skill in students.

NSDA - National Skill Development Agency, a Government of India enterprise, for prestigious Skill India Campaign. IBMR Gurgaon is registered and recognized partner of NSDA.

Pradhan Mantri Kaushal Vikas Yojana (PMKVY) is the flagship scheme of MSDE. The objective of this Skill Certification Scheme is to enable a large number of Indian youth to take up industry-relevant skill training that will help them in securing a better livelihood.

NSDC promotes and structures skill development projects in collaboration with CSR arms of PSUs, corporate and independent foundations, academic institutes and other agencies. NSDC continues to explore sector-focused initiatives where skill development plays a critical role.

NSIC has devised a unique "Entrepreneurship Orientation Programme" (EOP). The program is specially designed for the students, who are pursuing their studies in institutions and do not have any idea about entrepreneurship.

PGPM (Industry Synergised)

At IBMR Group of Institutions, our goal is to bridge the gap between academics and real life. Over the years it has always been the academicians who have tried to develop courses that are tailor made for the industry. But here at IBMR, we give the bright minds of India real hands-on knowledge and experience from people who have been there, done it, and seen it.

Post Graduate Program In Management is an extension of the traditional MBA programme in the sense that it involves highly interactive teaching sessions and diversified work experience. This programme is conceptualized to provide hands-on experience in the real time business.

PGPM programme is more application oriented and gives practical exposure to the students along with the classroom theoretical and practical knowledge of business & industry.

The programme methodology differs significantly from the traditional method. The students successfully completing this programme have a greater edge over the students doing traditional programmes.

TRAINING AND PLACEMENT

A growing economy in India coupled with global competition has increased demand for professionals with a graduate management degree.

MBA in India is the most renowned and pursued advance course. This course is pursued after any bachelor or graduate degree. Almost every graduate today vies for MBA degree. MBA in India is a stimulating and remunerative career.

The placements at IBMR hold an impressive recruitment record since its inception. IBMR students are well placed and are found across industries around the country.

Placements at IBMR have been one of the best in the industry. It is a very satisfying moment for the students as they are able to pursue careers in their dream companies.

We facilitate 100 % placements, by grooming our students, refining their communication and behavioral skills and thereby making them fit for the industry.

IBMR has a unique system of Mentor Mentee concept, in which each student is allotted mentors, from the academia. The mentors polish the student on both academic and industry front and prepare them to suit the industry requirements.

As a mandatory part of academic curriculum, students are required to undergo summer internship of 6-8 weeks with various organizations. The summer internship allows students to apply the theoretical concepts learnt in the classrooms in the real management settings, which sharpens their ability to diagnose, analyze and resolve the problems.

Students are also provided with short term live projects with leading companies which run parallel to their academic sessions. The experience gained by the students during summer internship and short term projects proves to be invaluable at the time of final placements.

PLACEMENT CELL AT IBMR GROUP OF INSTITUTIONS

The final placement is an activity, that every student awaits with great anxiety and HOPE! It represents a culmination of hard work as well as hope and aspiration for the future since students join the work force and embark on yet another journey of self reliance, self fulfillment - giving much joy and satisfaction to the loved and dear ones. It, therefore, is a very important milestone for every student.

The inculcation of "never say die" attitude forms the bedrock of our training. We believe that our students in an 'All round' evaluation are one of the best and will be an asset to any business. We, at Placement cell of IBMR Group of Institutions, therefore call upon all the industry and business houses to join us in giving an opportunity to our students to prove their worth both to your organization and the country at large. We are confident that our students will always be one step ahead and will make you proud. MNC's and Blue Chip companies are regular recruiters at IBMR Gurgaon campus and offering good packages.

“My two years academic experience is awesome at IBMR Group of Institutions and provided me with opportunities not only to develop in academics but also in the fields where I was not efficient enough. Faculty and the pedagogy of teaching in IBMR are great. At present I am associated with a known name ZDream Ventures as India Head. I thank IBMR for making me what I am today.”

The World-Wide Alumni Network of IBMR Group of Institutions - 'Saarthi'

MOVING AHEAD..... OUR ALUMNUS - 'SAARTHI'

As a management institution, we have our very own Alumni Association significantly named "Saarthi". All the former students of IBMR Group of Institutions form the Alumni Association. This Association works as the link between the Institute and the students who have passed out from the Institute and those studying at the Institute. All are regularly in touch through a common platform on Facebook page, IBMR events and formal/informal meetings.

As we seek guidance and assistance from our alumni in looking after our current students, we wish them every success in their career paths in the years ahead.

It is heartening to see that after passing out of the Institute and moving into their high-flying careers, these change masters return to their alma mater. A number of former students came this year as part of the recruitment teams of their firms, proving their strategic importance to their organization.
