Creating Strategy Leaders

**AICTE APPROVED
PGDM & PGDM-M**

Vision

To be a centre of academic excellence and research that nurtures industry ready and socially responsible management professionals.

Mission

To offer rigorous practice-oriented education well-suited to meet the challenges of businesses and industries.

To inculcate values, ethics and sensitivity towards the society, country and environment.

To provide a conducive environment to all the stakeholders to enhance the quality of teaching, learning and research.

Shri. Vedprakash Chiripal

*Founder Trustee, Chiripal Charitable Trust
Chairman, Chiripal Group of Industries*

As stewards of the Chiripal Charitable Trust, our commitment extends to cultivating a society where individuals thrive in harmony, dignity, and freedom of thought. We've founded esteemed educational institutions such as Shanti Juniors, Shanti Asiatic Schools, and Shanti Business School. Our dedication encompasses ongoing research, innovative pedagogical methods, and a relentless pursuit of excellence. We invite you to embark on a gratifying educational journey with us.

Shri Brijmohan Chiripal

*Chairman – Board of Governors, SBS Ahmedabad
Director – Chiripal Group of Industries*

Chiripal Charitable Trust, an extension of the illustrious Chiripal Group, has a legacy dating back to 1972. SBS, Ahmedabad, an initiative of the trust, has rapidly ascended to prominence, drawing students from all corners of the nation. Our aspiration is to set unprecedented benchmarks in business and management education, differentiating ourselves through superior course content, delivery, and real-world relevance. We are deeply appreciative of the invaluable guidance and support we receive from industry luminaries.

Dr. Neha Sharma

Director, SBS, B.Sc, MBA, Ph.D, NET

Since its establishment in 2010, our institute has been resolute in its mission to deliver industry-relevant management education. Our strength lies in pioneering teaching methodologies and a contemporary curriculum designed to address the dynamic needs of Industry 4.0. At SBS, we nurture a culture of lifelong learning and provide a dynamic ecosystem for comprehensive student development through diverse activities and immersive industry exposure. We are guided by Alvin Toffler's profound insight: 'The illiterate of this century are not those who cannot read and write, but those who cannot learn, unlearn, and relearn.'

The Chiripal Group

The Chiripal Charitable Trust is a Corporate Social Responsibility initiative set up by the Rs.10,000 crore Chiripal Group of Companies. Established in 1972 by Shri Ved Prakash Chiripal, the group has grown from a single powerloom unit to the present multi-activity; multi-product textile house located at Ahmedabad, and is involved in processing, weaving and knitting of textile products, petrochemicals and education.

SBS, Ahmedabad an initiative of Chiripal Charitable Trust has within a short period of its existence, firmly established itself as an institute of distinction, attracting students from across the country to transform them into industry-ready talent, which is increasingly being preferred by the industry. We have benchmarked ourselves against the top global business schools and want to set new parameters in creating proprietary systems and processes to develop and deliver knowledge in the field of business & management. We differentiate ourselves on every measure but particularly in course content, delivery and relevance SBS's post graduate programs provide a deeply rewarding experience to shape up your career, your values and faith in yourself.

Why SBS?

Outcome Based Education (OBE)

SBS follows Outcome Based Education (OBE) to measure the effectiveness of teaching and learning process with the help of a combination of Continuous Evaluation (CE) and End Term Evaluation (ETE) System. The institute believes in continuous reforms in academics and examination for the betterment of the students. Feedback from the stakeholders is regularly collected, analysed, and reviewed to plan and define the strategies for the overall development of the institute. Teaching, Learning and Assessment strategies of the institute are structured to facilitate the achievement of the Program Outcomes (POs). The institute ensures the achievement of these Program Outcomes through academic, co-curricular and extra-curricular activities.

Experiential learning and reflections

Experiential learning is a continuous process. SBS organises various activities to inculcate creativity, critical thinking, and problem-solving skills. It is implemented in the form of events, live projects, research projects and workshops. It adds value to the students' understanding of the theoretical concepts. It also helps to apply these concepts in real life situations and reflect on them. Reflections have been most important part of teaching - learning process at SBS. Academic quality achieved through initiatives outside the classroom is gaining importance for both students and faculty.

Continuous Placement Training and Assessments

Placement training plays a major role in shaping the career goals of students. The training programmes are continuously and closely monitored and regularly revised to include latest trend-setting practices in the activities. Preparation for the placement begins right at the time a student is inducted in SBS. The induction process is broadly categorized in two parts; Saksham and Prarambh. They have events that help in not only building the knowledge base of the students but also stimulates their critical thinking. Once in the campus, the students are trained in numerical analysis, news reading and news analysis as a part of the curriculum. Apart from that there are regular sessions on CV building and group discussions.

Mentoring

Mentoring is another tool used by SBS to nurture and help the development of its students. The mentor's job is to promote the spirit of learning, which includes capacity building through methods such as instructing, coaching, profiling experiences and advising. Important benefit of this approach is that students are well-equipped to face the challenges of their careers and lives.

Soft Skill Training

All SBS students must undergo compulsory training on soft skills as grooming, etiquettes, leadership attributes, effective communication, resume writing and interview handling. The focus is on enabling students to develop an independent and reflective style of personality that will help them in their careers and their lives.

Gujarat

The Gateway to Success

1. Fast Growing Economy

Gujarat boasts of a fast-growing economy with thriving sectors such as petrochemicals, pharmaceuticals, textiles and information technology. It contributes around 18 percent to India's industrial output and Gujarat's 30 percent to exports. SBS Ahmedabad has active collaborations with these industries, providing students with real-world exposure and networking opportunities.

2. Industrial Development

Gujarat is home to many projects of national importance. Some of them being the Surat Diamond Bourse that is the world's largest diamond trading hub. It is the world's largest office, even bigger than the Pentagon. Another feather in the cap is the Gujarat International Finance Tec-City (GIFT City), India's first operational smart city and International Financial Services Center. Many other projects like the Dholera smart city offer unique opportunities for internships and careers for management graduates.

Narendra Modi Stadium

3. Education Hub

Gujarat is home to a number of renowned educational institutes that offer top-tier education and industry connections. Having renowned institutes of various disciplines like National Institute of Design, CEPT University and Indian Institute of Management create an environment of cross-disciplinary learning that adds to the quality of education.

4. Entrepreneurial Spirit

Gujarat has a strong entrepreneurial culture, with many successful businesses like Reliance, Adani, Zydus, Vini Cosmetics, Amul, Balaji wafers, Havmor and Symphony among others originating from the state. PGDM program of SBS Ahmedabad includes courses and activities that encourage entrepreneurship, foster innovation and business acumen.

5. Vibrant culture

Beyond academics, Gujarat offers a rich cultural experience. It offers a mix of historical sites, festivals, and a variety of cuisines, creating a well-rounded educational experience.

PGDM

Shanti Business School, Ahmedabad, offers 2 years full time AICTE approved Post Graduate Diploma in Management (PGDM). It has a superior, evolving, and vertically specialized curriculum delivered through path breaking methodology like performance learning, internship and five pronged mentoring process. SBS has customized its curriculum to include core courses, electives and sectoral specializations. SBS offers industry relevant courses, facilitated by corporate interactions. Projects and research, complemented by extensive internships, give our students a comprehensive 'real-life' experience.

PGDM - Marketing

Shanti Business School, Ahmedabad offers 2 Years Full Time AICTE Approved Post Graduate Diploma in Management – Marketing (PGDM Marketing). Marketing has always been one of the extremely popular career destinations for Management Students. The PGDM Marketing program is designed for the students who have a pre-determined choice of a career in Marketing. Keeping in view of the way marketing functions are dynamically evolving and the need for advance marketing strategies, the programme covers core marketing courses and a choice of contemporary elective courses like Marketing Analytics, Marketing Research, Digital Marketing and Data Visualization. PGDM - Marketing course caters to the students who seek a career in sales and marketing and possess an analytical mind which can critically evaluate and interpret the market conditions and the ability to solve problems.

Certificate Courses and Workshops

Using AI as a Creative Aid

A course on Using AI as a Creative Aid is offered to the second year students of communication specialization. The course is aimed at enhancing the content writing skills using the AI tools. The course covers topics like building prompt flows, using ChatGPT, Dall-E, Leonardo-AI, Midjourney, Stable Diffusion and Bard. The students are given hands on training on using them and are taught to embrace AI for creating more effective content for online platforms.

Course on Canva Pro

A course on Canva Pro has been launched for the students of communication specialization. The course aims at acquainting students with the various features of Canva, basics of designing and layout and the understanding the usage of colours in designs. This course will enable the students to use Canva for creating better designs and using the software to its optimum capacity.

International Business

Shanti Business School in collaboration with JBS Academy Private Limited conducts "Certificate Program on International Business" for students of IB Specialization, which covers topics on export-import, incoterms, custom clearance, risk management, foreign trade policy, and other allied topics to international business. Students undergo rigorous 65 hours of training and earn 4 credits after clearing the final exam.

Financial Modelling and Valuation Techniques

SBS in collaboration with Grant Thornton Bharat offers a comprehensive 40-hour workshop tailored to elevate participant's proficiency in financial modelling and valuation techniques. It enables students to understand the fundamentals of DCF modelling, its components, and the crucial role it plays in assessing the intrinsic value of a business. Participants will gain practical insights into discount rates, cash flow projections, and terminal value estimations.

Supply Chain Analytics

The Supply Chain Analytics course provides an immersive learning experience covering a comprehensive range of topics and units designed to equip participants with the essential knowledge and skills for optimizing supply chain operations. The course comprises sessions on demand forecasting, inventory management, transportation and logistics optimization, risk management, performance measurement, and the utilization of cutting-edge analytics tools and techniques. Participants delve into real-world case studies, practical applications, and hands-on exercises, fostering a deep understanding of supply chain dynamics and the ability to make data-driven decisions to enhance supply chain efficiency, reduce costs, and improve overall organizational performance.

Structured Query Language (SQL)

SQL is used to access data within the relational database. Modern organizations store large amount of data, SQL helps to extract the data quickly. The course on SQL provides a hands-on training on getting access to data within the relational database. Students practice using different types of Joins to get data from two tables. There are sessions dedicated for writing queries and sub-queries. On the data front the students learn summarizing data using aggregate functions and performing basic arithmetic calculations. By the end of the course, students would be capable to clean data using SQL.

Selling Skills

The course on "Selling Skills" is offered to the students of marketing specialization. The objective of this course is to let the students learn selling skills not merely by memorizing the theory, but by experiencing it practically. Industry experts and academicians are invited to acquaint the students to tools and techniques for different steps of sales. Processes are taught to students by incorporating role plays and mock drill of presentation and demonstration, overcoming objections and closing the deal.

AIMA BizLab

AIMA BizLab is a first of its kind virtual lab for management students. Just like the laboratories for other education fields, using the AIMA BizLab software, students "experiment" with various management strategies and tactics on a given scenario. Specifically designed keeping the learning habits of the new generation of students, AIMA BizLab provides an unparalleled learning experience.

Our Student Managers in International Immersion - Dubai

HR Analytics

HR Analytics workshop is conducted by an industry practitioner to equip the 2nd year HR Specialization students with basic understandings of analyzing the HR Data and creating HR Dashboards. The objective of the workshop is that the students will be able to analyze the real time HR related problems in the industry and will be able to appraise the HR performance drivers in the organization. As the pedagogy is based on case studies and hands on learning experiences, it makes students industry ready and be at par with industry requirements.

Negotiation Skills

The course on Negotiation Skills is conducted for 2nd Year HR Specialization students and aims to inculcate in them an essential skill for career progression. The workshop conducted by a professional trainer includes topics like Negotiation Tactics and Strategy, Salary Negotiation, Union Negotiation, Role of Power and Designing the BATNA. The workshop is based on experiential learning and deals with real time examples and situations which makes the students industry ready.

International Immersion Program

Shanti Business School is focused on providing opportunities & certifications to students through International projects and collaborations. These programs will equip student managers with multicultural exposure at the global level, helping them to easily adapt to the international work environment.

SBS, in association with UAS International, announced a Global Immersion Program at Dubai for its students. As a part of this, students were taken for visits to organizations in Dubai where they got exposure to Global Trade, Money Management through BlockChain, and International Logistics and Supply Chain Management.

Placement Cell

- Career planning advice
- CV and application support
- Interview and assessment advice
- Workshops and skill sessions
- Career sessions
- Internship placement assistance
- Final placement assistance

Placement Preparation Process

Preference & Selection in Campus Placement Drives

With different industries participating, students submit a form showing their preference regarding industry, functional domain and locations which gets the right fitment for both- employer and employee

Placement Training

Expert sessions are conducted for Professional CV Building and Group Discussions. Mock processes are conducted to prepare students for Aptitude tests, Group Discussions and Personal Interview. This also prepares them for their respective functional domain viz Marketing, Finance, HR & Decision Science

Pre-Placement Talk

Companies are encouraged to visit the campus before the placement season begins for a pre placement talk and introduce the job profiles of company

Interview & Final Selection

Companies visit the campus on the allotted date(s) and conduct tests and/or interviews according to their selection procedure

Offer Letter & Final Procedure

The placement cell also coordinates the signing of offer letters by students who have been selected to ensure their smooth transitions

Internship and Industrial Interaction

Internship is a powerful tool in achieving the goal of nurturing industry-ready talent. During internship, students get exposure to the working environment of industry and learn to interact with people at different levels of the organization. They learn to work in teams towards set goals, come face to face with burning issues and problems and gain hands-on experience in managing oneself in a dynamic environment.

A healthy internship enhances the adaptability of the student to the organizational milieu, familiarizes the student to the organizational culture and enhances his/her self-confidence.

The internship at SBS is characterized by the following features :

- ◆ SBS has incorporated 8 to 10 weeks duration of rigorous summer internship
- ◆ The internship is jointly monitored by faculty guide and industry mentor to ensure definite learning in the process.
- ◆ Internship is mandatory and carries 3 credits

As a result, the internship has been a significant game-changer in enhancing the placement prospects of the SBS student

Grand Project

Internship is followed by grand project submission. It allows students to work on a one-on-one basis with industry experts. They get involved in real job world and imbibe practical skills and knowledge. GP is a vital tool to understand the theoretical knowledge in a practical world. It holds critical credits which are mandatory to clear this program. Grand Project is mandatory and carries 3 credits at SBS

Our Recruiters (Representative list)

How We Groom Strategy Leaders

Depending on your chosen program, you will experience a wide range of innovative learning methods such as field visits, laboratory study, excursions and group projects supported by virtual learning environments. You will be challenged intellectually and encouraged to develop your ability to work and learn independently. Through group project work, you will also perform self-directed learning and gain transferable skills – such as communication, teamwork and project management – to put your subject knowledge into practice and help you achieve your career aspirations.

Student's experience are enriched by variety of teaching methods. Our programs are divided into modules, some of which are compulsory and others optional, giving a personalized learning and puts a student in control of his/her academic experience.

We offer you more than just a traditional learning environment, with access to virtual learning and the opportunity to design your own education by selecting modules outside your chosen discipline

Projects Based Learning

Students are continually provided with the unique opportunity of learning through projects as a part of the SBS curriculum. Education that is based on research-linked courses helps the students of SBS to possess distinct advantages.

Blended Learning

Blended learning (also known as hybrid learning) is a method of teaching that integrates technology and digital media with traditional instructor-led classroom activities, giving students more flexibility to customize their learning experiences.

Problem & Inquiry Based Learning

PBL is a method of learning and teaching which allows students to focus on how and what they will learn. An unfamiliar problem, situation or task is presented to the students by faculty and students are required to determine for themselves how they will go about solving the problem.

Flipped Classroom

In the flipped classroom, students complete learning covered in the classroom in their own time (by watching videos, and/or accessing resources), and classroom time is dedicated to hands-on activities and interactive, personalised learning leading to deeper understanding.

Recruiters Speak

Bisleri

Bisleri has been a regular recruiter at SBS for many years now and we have been experiencing a set of very professional and well-groomed candidates for our recruitment. The institution has a good talent pool of fresh minds that have been trained to become industry ready in state of the art infrastructure with a very high focus on technical capability as well as soft skills of students. This will add to our talented global workforce pool and enable our organization and society to reach greater heights. I wish the institution all the best to become a destination of choice in the sphere of Management education.

- Bhavik Acharya, Bisleri India

Dedication of the students towards attending the campus is appreciated, as they even made through overnight travel as well. Thank you for inviting us.

- Ivy Mendonca, Vodafone

"Our experience with the management graduates of SBS has truly been interesting and exciting. The students are not only technically equipped in the requisite work skills but also excel in their practical applications. Their value addition to the organisation has been immense.

- Pranav Yagnik, Kotak Mahindra Bank

SBS adopts a judicious mix of theory and practical application, which equips its students with the requisite skills needed in being corporate citizens of the world. We have recruited students from this premier institute, who have consistently demonstrated a keen understanding of the banking and financial services environment. They adapt rapidly to our ever-changing needs and we look forward to a long and expanding relationship with the institute and its students."

- Pratik Kumar, Standard Chartered India

A big thank you for all the support and arrangements organized to make the "Syntellect" Recruitment Drive a smooth process. The arrangements and support was truly professional and we really appreciate your leadership, management of SBS and the team for all the efforts put in making it possible. Special mention to the volunteer team who made the coordination simple and easy.

- Vijay Raghvan Iyengar, Bajaj Corp Ltd.

Shanti Business School not only gives to its students an armory of skills, but also develops in them the assurance of being as good as the best anywhere. That, in the final analysis, is the ultimate confidence booster."

- Kaushal Pujara, ICICI Group

Student Life

To ensure that your experience at SBS is one to remember, we have an expansive collection of clubs, sports teams, music, cultural programs and other activity groups.

The campus comes alive with many of our students performances in cultural fests, competition and events. SBS encourages students to take the lead in shaping the learning and living environment by participating, organizing and hosting the series of events.

As work-life balance is really important to get the most from your student experience. we provide a wealth of social and leisure activities, as well as help and support you with your studies. the city of Ahmedabad offers a lively nightlife, museums, galleries and variety of eating out options

Student Life

Student Clubs

Sahas- Startup Charcha

Start-up Charcha Club provides a channel through which student managers of SBS can interact with the start-up entrepreneurs, where the aim is to ensure that these interactions ignite enthusiasm towards creation of enterprise, innovation and entrepreneurship ideas. Sahas will also be a conduit of entrepreneurial and start-up information for students. It is also intended to encourage students to look beyond the conventional placement mind set and take actions to become job givers rather than job seekers.

Interaction between SBS Student Managers and Start-up Entrepreneurs take place in hybrid mode depending on the prevailing situations. In these interactions the start up entrepreneurs discuss their journeys, learnings and future plans to capitalize on the opportunities that they see in respective sector.

Capital Buddies - Finance Club

Keeping in mind the needs and dynamics of financial education, Shanti Business School has launched a "Student Finance Cell" which conducts series of different activities for enhancement of financial knowledge and investment etiquettes for student managers.

Book Wizard Club

The library Club known as Book Wizards Club at Shanti Business School is an active club which organizes literary activities. The library club intends to foster learning, communication, ignite enthusiasm and fun amongst our student managers. These events help student managers to develop their curiosity, expressive skills, and bonding with one of mankind's oldest friend books.

Samvad - Debate Forum

SBS aims not only at the nurturing excellent business managers and leaders but also informed and rational citizens. Samvad as a vibrant debate forum at SBS provides a platform to the student managers to enhance their communication, articulation, and analytical skills. It encompasses the debates on various contemporary issues including business practices, socio-political, economic policies etc. Samvad has become an integral part of the learning process at SBS and is well appreciated by all the participants as well as audience.

Dynamic - The Sports Club

The Sports club is committed to promote a healthy sporting habits in the students. It focuses on teamwork, coordination among diverse groups and infuses discipline instudents. Value of time, precision and competitiveness are the major learning points apart from communication, coordination & teamwork. The objective of the Sports Club is to build up sportsmanship and in developing positive attitude, self-confidence, courage and patience.

TalentNexus - The HR Club

It is a joint effort of the HR Enthusiasts of Shanti Business School to initiate a collaborative and experiential learning through activities domain that drive organizations towards performance and sustainability. The objectives of the HR club are to improvise on the competencies and skills of the budding professionals to make them better equipped and corporate ready and inculcate in them values of empathy, commitment and respect for all. The activities play a pivotal role in shaping the next generation HR Leaders making a significant impact on the HR Community.

Synergy Club

Synergy is a club formed by the SCM, IB and DS specialization of SBS. The name Synergy is derived from the Greek word for "working together". Synergy implies that the combination of things produces an effect or result that is more amazing than what each thing can do separately. Therefore, this club is an amalgamation of multiple domains like SCM, IB and DS. The motto of club is to bring a synergy between different domains and learn how to make correct decisions looking at every perspective of business

Expressions - The Cultural Club

Expressions- the Cultural Club at SBS aims to encourage student's interest, participation, and responsibility in the ingenious field through creativity in the fields of music, art, literary work, performing arts, so as to provide social, cultural and recreational activities for the college community. The objective is to facilitate cultural inclusiveness among the students and to undertake activities to increase the cultural awareness and facilitate diversity.

Dumbledore's Den - The Marketing Club

The marketing club; named "Dumbledore's Den" intends to develop the students' marketing skill sets for enhancing the employability of students and to make them familiar with the practical nuances of the domain. The club sensitizes the students by engaging them in various activities related to selling skills, branding, promotion and other areas of marketing.

Cinematic Society - The Communication Club

The Cinematic Society is the club formed by the communication specialization of SBS. The club aims to foster a vibrant community of students passionate about movies through various events, discussions, movies, and screenings. It encourages creative expression, cultural exploration, and collaboration, fostering a vibrant environment where students can bond, learn, and enjoy memorable experiences celebrating the magic of the silver screen.

Events

Events & Seminars play a vital role in a student's development. Nowadays students don't want to be bookworms; they look for other options that could help them in the future. Besides, in this high tech world, every student wants to acquire knowledge in every field to stay updated. In the league of organizing the events, SBS is always ready to take a step ahead in organizing cultural, social, academic and corporate events.

Bauddhika

Bauddhika the annual Inter-college Management Fest of Shanti Business School has been an epitome of management excellence since 2013. Every year the stage is set for students participating from various universities and colleges to showcase their practical ideas and solutions to competitive events. The campus is filled with vigor and competitiveness during those days.

Hackathon

For the first time in Ahmedabad, Shanti Business School conducted Hackathon, 2019. Its purpose was to ignite the young and rigorous minds to come up with innovative ideas to tackle the major global concerns related to today's economy. It was a very informative and innovative event with a total of 23 teams of 140 participants participating from all over Gujarat.

Vichardhara

"Vichardhara" the Leadership Series of Shanti Business School (SBS), Ahmedabad invited Mr. Aman Gupta renowned serial entrepreneur, the visionary founder of BOAT Lifestyle and one of the Shark from Shark Tank India. The event was aimed at igniting the entrepreneurial spirit within young minds and inspire them to take bold steps in their careers.

Anusmriti

SBS organize alumni meet every year. It's an incredible reunion of Alumni, students, faculty and staff members at the campus. For an institute its always a pride moment seeing its successful Alumni. In the last meet, around 100+ Alumni across the country attended the meet and gave their valuable feedback and suggestions for the betterment of students and institute.

Thought Leader Series

SBS students and faculty draw insights from leading academicians, successful business practitioners, industrialists, and eminent personalities from the fields of management through their "Thought Leader Series" seminars. Each year, we invite esteemed scholars, faculty, and researchers from across the country. The primary motive is to bridge participants' gap between theoretical know-how and practical problem-solving. As guest speakers also share their work experiences, the interactions highlight crucial business management issues along with market trends, situational leadership decisions, challenges and their strategies.

Amenities

With the finest facilities, SBS is created around student ambitions. Students have unmatched opportunities for hands-on learning utilizing some of the most sophisticated facilities

Medical Facilities

We look after the physical well-being of the students with an in-house medical facility. To look after the health needs of our students we sign them up for a medical insurance policy and also have a full-time nurse and a doctor on-call option.

Auditorium

Participation in co-curricular activities also play a vital role in personality development of students. Such activities develop the qualities, initiative, creativity, leadership, teamwork, time management and resource management. To add value and standard to such activities, SBS has a beautiful auditorium to host events.

Student Services & Facilities

SBS provides all supports which a student needs to succeed. A modern library, online learning and specialized facility for chosen subject, IT support with modern lecture rooms. The campus has a corporate well-designed, aesthetically pleasing building with ultra modern appearance and functionality.

Gymnasium

Working out in a gym is a great way to keep fit, to make friends and to unwind after academic work. SBS has a multigym station to keep students fit and healthy.

Food Court & Canteen

SBS has a food court and a canteen which are located within the campus. The multi-cuisine food court caters to the varied taste of students and provide various choices in a hygienic environment.

Hostel Accommodation

SBS provides hostel facilities for boys and girls separately. It has provision for AC and Non-AC rooms. In addition, the hostel life allows students to interact with their colleagues and peers, make friends, and develop into good human beings capable of independent judgement and competent in handling the day-to-day pressures of life. Caring wardens and a vigilant security team ensures a pleasant stay.

Classrooms / Lecture Rooms

SBS has adequate number of spacious lecture rooms, fully equipped with necessary teaching aids. The lecture rooms are designed to accommodate a large number of audience while providing ample space for AV equipments, instructors area, movement space, vacant room between the occupants seat and projection screen. The orientation of the halls encourages the sound reflection from one end of the room to the other.

Playground

From increasing concentration levels, to work as a team to inculcate a winning spirit; sports help students build a strong character and a well-rounded personality. SBS has ample space to explore many games.

Student Support Services

With a comprehensive student support services, we make sure that you are well supported through out your time at SBS.

FAQ's

1 What are the programs offered by SBS?

SBS offers 2 years full-time PGDM and PGDM - Marketing programs. The PGDM Program has a variety of specializations like Financial Management, Marketing Management, International Business Management, Supply Chain Management, Communication Management, Data Science Management, Human Resource Management. The first year of the program is common, the specializations commence in the second year.

2 What is the status of recognition of the programs offered by SBS?

The PGDM and PGDM - Marketing Programs offered by SBS is recognized by AICTE (All India Council of Technical Education). Copies of approval can be seen on the website.

3 How do you differentiate SBS with other B-Schools?

The foundation of SBS growth story has been its emphasis on an innovative, industry-focused and comprehensive curriculum that is taught by eminent faculty and industry professionals. It is enhanced by exceptional pedagogy, mentorship, projects and certificate.

4 What is the Pre-Entry Qualification and Selection Process?

The Pre-Entry Qualification for the PGDM Program is graduation in any discipline from a University recognized by UGC with minimum of 50 % marks. The selection process for admission to the program is as under:

A - Valid score from any one of the following management admission tests (CAT/XAT/ATMA/MAT/CMAT)

B- Candidates have to appear for Personal Interview, Group Discussion and any other process of selection as decided the Admission Committee

C - Based on the academic performance, scores in the entrance tests, performance in the selection process and other co-curricular activities , the admission committee will prepare a composite score for the candidate. Based on this, the admission will be decided.

5 What is the cut-off percentile of the Entrance Exam?

SBS makes a comprehensive evaluation of the candidate and his/her potential for management education and decisions of admission are made. The process is holistic and comprehensive.

6 Is the program offered by SBS residential ?

No, the program is not mandated to be residential. Students also can choose to be day-scholar. However it is a full-time program and its rigour would not leave any scope for the student to pursue any other course or vocation.

7 What are the placement prospects after completing the SBS programs?

SBS has been maintaining 100 % placement since inception. with respect to students seeking placement. SBS has a very proactive Placement Cell taking care of the placement of all students seeking placement. Organizations participated in the placement process and the range of compensation packages offered can be shared with the prospective candidates by the Placement Cell.

8 Are students of SBS eligible to get educational loan?

Yes. As programs are approved by AICTE, all students pursuing the program are eligible to apply for educational loans that are being offered by nationalized and private banks in India. SBS has signed MOUs with SBI, Vijaya Bank, Axis Bank, HDFC Bank, Credenc and so on to enable speedy processing of the loan application of students admitted to SBS. Loans are decided by the respective banks based on their prevailing policies and guidelines and applicants will have adhere to these.

Implementation of Anti-Ragging policy of MHRD at SBS

SBS has implemented the guidelines of Hon'ble Supreme Court in its judgment dated 8th May 2019 on matters of ragging on its educational campus.

The Institute has an active Anti - Ragging Committee, the contact details of committee members are written on posters across the campus. Guilty students shall face strict punishment as declared by the college authorities.
