About FLAME University

FLAME University is the pioneer of liberal education in India. The University's main objective is to offer an interdisciplinary platform of education that provides both breadth and depth in diverse areas of knowledge. The liberal education ethos at FLAME University inculcates leadership and risk-taking abilities in students and focuses on discovering one's passion. The student-centric learning is delivered by esteemed faculty scholars in a world-class campus setting.

FLAME University has been established as a state private university vide the FLAME University Act 2014 (Maharashtra Act No. 11 of 2015) of the Government of Maharashtra. FLAME University is recognized by the University Grants Commission (UGC) under Section 2(f), and degrees awarded by the University are recognized under Section 22 of the UGC Act, 1956. It is a Jain Minority Institution.

Our Vision

FLAME University exists to build an **aspirational** destination for students and faculty, to **push the design** and nature of studies and to create a **societal upgradation** phenomenon particularly in the fields of **liberal education** and **leadership**.

MBA at FLAME School of Business

FLAME University's MBA is rooted in liberal education. FLAME University recognized the need for professional managers who are not only adept at their chosen profession but are also socially conscious, environmentally aware and globally immersed. The education imparted in the MBA program at FLAME University not only provides deep domain knowledge of management, but also covers various domains of social sciences, humanities, foreign languages and fine & performing arts. Students are trained as individual leaders as well as team players through investment and entrepreneurship labs, simulations, projects, internship, mandatory sports, besides the discussion based class sessions.

Collaborations and Accreditations

FLAME University's MBA program has been accredited by the National Board of Accreditation (NBA) for a period of five years. FLAME University has been accepted as a member of the Babson Collaborative, an initiative by Babson College to bring together educational institutions from around the globe under one platform for the exchange of best practices in entrepreneurship education.
